DISCUSSION

Chula Vista Municipal Code (CVMC) section 2.25.105(C) requires that a board or commission seat become vacant, and be so declared by the City Council, when a member loses the status or classification that qualified the individual for his or her seat on a particular board or commission.

The Christopher Columbus Statue and Discovery Park Task Force was established by City Council Resolution 2021-132 and provided for a representative of the Sons and Daughters of Italy (SDI). The City Clerk received notification (Attachment 1) that Grace Sardina, the seated SDI representative on the Task Force, is no longer a member of SDI and that the organization wishes to nominate another representative.

Staff recommends the Council declare the seat vacant. Following the Human Relations Commission's nomination of a new representative to fill the seat, a separate item will be presented to Council to consider ratifying the appointment.
