THIS SITE LEASE (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Site Lease") is made and entered into as of _____, [2021], by and between the SAN DIEGO UNIFIED PORT DISTRICT, a public corporation (the "Port"), as lessor, and the CHULA VISTA BAYFRONT FACILITIES FINANCING AUTHORITY, a California joint exercise of powers authority (the "JEPA") established and existing pursuant to an Amended and Restated Joint Exercise of Powers Agreement, dated and effective as of July 25, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "JEPA Agreement") by and between the City of Chula Vista, a California charter city (the "City") and the Port, as lessee.

WITNESSETH:

WHEREAS, the JEPA, the Port and the City have determined it to be beneficial, for the JEPA to acquire a leasehold interest in certain real property described in Exhibit A hereto and depicted in Exhibit B hereto (the "Site") and the Existing Improvements (defined herein) thereon upon which the Convention Center (defined herein) to be owned by the JEPA will be constructed and operated; and

WHEREAS, RIDA Chula Vista, LLC, a Delaware limited liability company (together with its permitted successors and assigns as the tenant under the Sublease, "RIDA") holds a leasehold interest in certain real property which is immediately adjacent to the Site (the "Ground Lease Property") described in and pursuant to a Lease, entered into as of _____, 202_ (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Ground Lease"), by and between the Port, as landlord, and RIDA, as tenant on which RIDA will be constructing a resort hotel (the "Hotel") in accordance with the requirements of the Ground Lease; and

WHEREAS, given the proximity of the proposed Hotel to the Site, the JEPA, the Port and the City have determined it to be beneficial to have RIDA construct the Convention Center on behalf of the JEPA and operate the Convention Center; and

WHEREAS, the Port and the City have agreed to cause the JEPA to pay for the costs of the Convention Center and for certain infrastructure benefiting the Hotel and Convention Center, and a portion of such costs will be financed by the JEPA through the issuance of the Bonds (defined herein); and

WHEREAS, such financing will be accomplished through the issuance of the Bonds by the JEPA which will be payable, in part, from lease payments made by the City to the JEPA under a Facility Lease, dated as of the date hereof, in the form attached hereto as Exhibit C (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Facility Lease"), by and between the JEPA, as lessor, and the City, as lessee, pursuant to which the City will sublease from the JEPA the Site and the Existing Improvements (defined herein) and lease from the JEPA the Convention Center (the Convention Center, the Site and the Existing Improvements are referred to collectively herein as the "Facility"); and

WHEREAS, the City will sub-sublease the Site and Existing Improvements to RIDA and sublease the Convention Center to RIDA in accordance with the terms of a Sublease dated the date

hereof, in the form attached hereto as Exhibit D (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Sublease”), by and between the City, as sublessor, and RIDA, as sublessee; and

WHEREAS, the JEPa, Port, City, and RIDA are entering into that certain Project Implementation Agreement (Chula Vista Bayfront Resort Hotel and Convention Center), dated concurrently herewith (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Project Implementation Agreement”); and

WHEREAS, the parties hereto intend that, during the Term, the Convention Center will be owned by the JEPa and operated and maintained by RIDA pursuant to the Sublease so long as the Sublease is in effect; and

NOW, THEREFORE, in consideration of the mutual covenants contained herein, and for other valuable consideration, it is hereby mutually agreed as follows:

Section 1. Definitions. Capitalized terms used but not defined herein shall have the meanings set forth in Exhibit E hereto and if not defined therein then shall have the meaning set forth in the Indenture, dated as of the date hereof (the “Indenture”), by and between the JEPa and Wilmington Trust, N.A., as trustee (the “Trustee”), pursuant to which the Bonds are issued.

Section 2. Terms and Limitations on Lease of Site.

(a) Lease of the Site/Commencement of the Lease Term. The Port consents to the terms of the Facility Lease and the Sublease in the form attached as Exhibit C and Exhibit D, respectively. The Port hereby leases the Site and the Existing Improvements to the JEPa and the JEPa hereby leases the Site and the Existing Improvements from the Port, on the terms and conditions set forth herein. For purposes of Section 1938 of the California Civil Code, the Port hereby discloses to the JEPa and the JEPa hereby acknowledges, the Site has not undergone an inspection by a Certified Access Specialist.

(b) Reservations. The JEPa shall take possession of the Site subject to the agreements, licenses, right of entry agreements, and other documents set forth in Exhibit H attached hereto and incorporated herein by reference (“Approved Agreements”).

(c) Limitation on Port Encumbrances. The Port shall not, without the prior written consent of the JEPa, the subtenant under the Facility Lease and the sub-subtenant under the Sublease and, while any Permitted Financing Encumbrance remains outstanding or during any New Lease Period (as defined in the Sublease), each Permitted Lender, which consent shall not be unreasonably withheld, conditioned or delayed, encumber the Facility during the Term or during any New Lease Period, except for (i) the Financing District and any modifications thereto to which each of the JEPa, the subtenant under the Facility Lease and the sub-subtenant under the Sublease agrees, in each of their reasonable discretion, (ii) as permitted under this Section 2(c), or (iii) as required by Laws; provided, that no lien or encumbrance pursuant to this clause (iii) shall be senior in priority to this Site Lease, the Facility Lease or the Sublease. (c) Notwithstanding anything to the contrary contained herein, this Site Lease shall not terminate while any of the Facility Lease or the Sublease are in effect; provided, however, in no event shall the Term be extended beyond the date which is sixty-six (66) years from the Closing Date.

(f) The JEPA and Port each represents and warrants that, simultaneously with the execution and delivery of this Site Lease, it has executed and delivered the Project Implementation Agreement pursuant to which RIDA is required to construct the Convention Center on the Site.

Upon the occurrence of an event of default under the Facility Lease, the Trustee may exercise any remedies assigned to it in the Facility Lease and in this Site Lease.

(b) Except for the Facility Lease and Sublease and any sublease, assignment or other transfer permitted pursuant to the terms of the Sublease, no other sublease, assignment or other transfer of the Facility or any portion thereof may be entered into or made without the written consent of the Port.

(a) Upon the expiration or earlier termination of this Site Lease, the JEPAs shall peaceably surrender the Site to the Port in accordance with the end of Term obligations set forth in this Site Lease, including without limitation, in the same good order and condition as of the commencement of the Term, reasonable wear and tear and any improvements permitted by this Site Lease, the Facility Lease, the Sublease or the Project Implementation Agreement excepted (subject to any demolition obligations with respect to any such improvements under the Sublease). are not due and payable and, if the Expansion Date occurs, subject to RIDA's interest in the Convention Center under the Ground Lease) and without compensation to the JEPA, City or RIDA. The JEPA shall thereafter take such actions and execute such documents as may further be necessary or advisable to fully evidence the termination of this Site Lease and the release of the Port and the JEPA from all of their respective obligations hereunder. Without limitation of the foregoing, JEPA hereby appoints the Port as JEPA's attorney-in-fact to execute such deed in the name and on behalf of the JEPA and to record same in the official records of San Diego County, California. This power of attorney is irrevocable and coupled with an interest. The JEPA agrees to cause the City to deliver to the JEPA all such documents as are necessary or advisable to fully release, of record, the encumbrances on title to the Facility which are caused by the terms of the Facility Lease and the Sublease, including, without limitation, any Site Lease Permitted Encumbrances, Facility Lease Permitted Encumbrances and Sublease Permitted Encumbrances, and transfer ownership of the Convention Center to the Port, including any such documents as are required from RIDA.

If the JEPA, with the Port's consent, remains in possession of the Site after the expiration or earlier termination of this Site Lease, such possession shall be deemed a month-to-month tenancy terminable upon thirty (30) days' notice furnished at any time by either party to the other party. All provisions of this Site Lease, except those pertaining to the Term, shall apply to the month-to-month tenancy, and the JEPA shall continue to pay all rent required by this Site Lease. Notwithstanding anything herein to the contrary, in no event shall the Term, together with any holdover period, exceed sixty-six (66) years.

Section 11. Effect of Discharge of All Bonds and Additional Bonds. In the event that all Bonds and Additional Bonds issued under the Indenture shall be deemed to have been paid and discharged in accordance with Section 9.3 of the Indenture (the "Discharge of the Bonds"), then all references herein to the Bonds, Additional Bonds, Owners of the Bonds, Trustee, the Indenture and the Assigned Rights shall be of no force and effect as of the effective date of the Discharge of the Bonds. On the effective date of the Discharge of the Bonds, (i) the Assigned Rights shall revert to the JEPA without any further action on the part of the Trustee, the JEPA, the City or the Port, (ii) any amounts that were to have been paid to the Trustee shall be paid to the JEPA except for any Net Proceeds which shall be held pursuant to the terms of the Sublease and distributed in accordance with the provisions of the Facility Lease, the Sublease and the Project Implementation Agreement and, subject to the provisions of the Facility Lease, the Sublease and the Project Implementation Agreement, the Revenue Sharing Agreement, or any other agreement between the Port, the City, the JEPA and RIDA governing the distribution of such amounts, and (iii) all rights granted to the Trustee and the Owners of the Bonds hereunder, including, but not limited to, the Assigned Rights and the right to enforce any remedies, to provide consent and to receive notice, shall be of no further force and effect.

Section 12. Inspection of Facility and Access to Records.

(a) Inspection and Right of Entry. From and after the Convention Center Delivery Date, the Port shall have the right but not an obligation to enter, view, inspect and determine the condition of the Facility, and protect its interests in the Site, during normal business hours and upon a three (3) Business Days' prior notice to the JEPA, the subtenant under the Facility Lease and the sub-subtenant under the Sublease (except in the case of an emergency in which case no prior notice shall be required but the Port shall notify the sub-subtenant under the Sublease) and the Port shall: (a) comply with all applicable security and safety procedures of the sub-subtenant under the Sublease, of which the sub-subtenant under the Sublease informs the Port in writing and with which the Port can reasonably comply, and (b) use commercially reasonable efforts to minimize any interference with the operation and use of the Facility by the sub-subtenant under the Sublease, and by the tenant under the Ground Lease of the Ground Lease Property, the Hotel and the Parking Improvements (defined in the Ground Lease), while on the Site and at the Convention Center. If the Port determines that the Site and/or the Improvements are not in the condition required pursuant to the terms of the Facility Lease and the Sublease, the Port shall deliver written notice to the JEPA detailing the items to be corrected and the JEPA shall deliver such notice to the City and direct the City to deliver such notice to RIDA and to cause RIDA to undertake the necessary maintenance, alteration, repair, replacement and rebuilding work necessary to remedy the issues set forth in the Port's notice to be commenced within ten (10) days after receipt of such written notice from the Port and diligently pursue such work to completion, as and to the extent required pursuant to the terms of the Sublease.

(b) Records. The Port shall have the right to examine and receive electronic copies of all records of the JEPA and any records of the sub-tenant under the Facility Lease and the sub-subtenant under the Sublease required to be maintained thereunder and to which the JEPA has the right of access.

Section 13. Eminent Domain. In the event the whole or any part of the Facility is taken by eminent domain proceedings, the interest of the Port shall be recognized by the JEPA and the Trustee. The JEPA shall pay, or cause the Trustee to pay, to the Port any and all awards and/or settlements or other compensation or damages which may be given for the land (and water, if applicable) comprising the Site, but the JEPA shall not pay, nor cause the Trustee to pay, to the Port any condemnation proceeds that are (a) paid or required to be paid to RIDA under the Sublease, the Facility Lease, the Project Implementation Agreement or the Indenture, or (b) used or required to be used to redeem Bonds.

Section 14. Damage or Destruction. In the event that the Facility is damaged or destroyed, the interest of the Port shall be recognized by the JEPA and the Trustee. The JEPA shall pay, or cause the Trustee to pay, to the Port any insurance proceeds received as a result of such damage or destruction, but the JEPA shall not pay, nor cause the Trustee to pay, to the Port any insurance proceeds that are (a) paid or required to be paid to RIDA under the Sublease, the Facility Lease, the Project Implementation Agreement or the Indenture, or (b) used or required to be used to redeem Bonds.

Section 15. Hazardous Materials.

(a) Notice of Release or Inquiry. If the JEPA becomes aware of (i) any actual or threatened release that occurs during the Term of any Hazardous Material on, in, under, from, or

about the Facility or (ii) any Inquiry, the JEP A shall give the Port and RIDA written notice of such release or Inquiry within twenty-four (24) hours after the JEP A learns that there has been a release or Inquiry and shall simultaneously furnish to the Port, the City and RIDA copies of any notices of inquiry or investigation, claims, notices of violation, reports, warning or other writings received by the JEP A that concern such release or Inquiry. Unless the Port, the City and RIDA each receives separate notice, the JEP A shall provide the Port, the City and RIDA with advance written notice of any meeting scheduled between any Tenant Party or Hotel Operator, on the one hand, and any Government Agency, on the other hand, where a material item of discussion is directly related to the subject matter of Hazardous Materials, at least five (5) Business Days prior to such meeting or as soon as reasonably possible if the Government Agency schedules such meeting with any Tenant Party or Hotel Operator for less than five (5) Business Days from the date the meeting is proposed. The Port and the City shall be entitled to have its representatives attend and participate in any and all such meetings. If the Government Agency brings up Hazardous Material on, in, under, from, or about the Facility in any other scheduled meeting, the JEP A shall suggest that a separate meeting should be scheduled so that the Port can participate in such meeting.

(b) Port Right to Inspect and Data. If Hazardous Materials Activity has occurred during the Term or is ongoing, the Port or its designated representatives, at the Port's sole discretion, may, but are not obligated to, enter upon the Facility and make any inspections, non-intrusive tests or measurements that the Port deems necessary or desirable to determine if a release or discharge of Hazardous Materials has occurred.

(c) Environmental Covenants.

(i) The JEP A hereby acknowledges that excavation of soils from the Site could result in exportation of a regulated waste requiring appropriate characterization, handling, transport and disposal (collectively, "Excavated Soil Removal"). The Port takes no responsibility and assumes no liability whatsoever for Excavated Soil Removal. Accordingly, the JEP A hereby waives any claim, or potential claim, it may have to recover costs or expenses from the Port arising out of or associated with Excavated Soil Removal.

(ii) The JEP A hereby RELEASES the Site Lease Landlord Parties from, COVENANTS NOT TO SUE the Site Lease Landlord Parties for and ASSUMES FOR ITSELF all obligations, requirements and liabilities of the JEP A under Section 18, including for claims for contribution, equitable indemnity or otherwise seeking to transfer or limit the obligations, requirements and liabilities of the JEP A under Section 18. With respect to all releases made by the JEP A under or pursuant to this Section 15, the JEP A hereby waives the application and benefits of California Civil Code § 1542 and hereby verifies that it has read and understands the provision of California Civil Code § 1542 set forth in Section 18.

(d) The terms of this Section 15 shall survive the expiration or earlier termination of this Site Lease.

Section 16. Events of Default.

(a) The occurrence of the following events shall constitute an event of default by the JEP A hereunder (each, a "JEP A Event of Default"): failure by the JEP A to perform any express or implied covenants or conditions in this Site Lease, where such failure continues for thirty (30) days after written notice thereof from the Port, with a copy thereof to the City and RIDA; provided

that, if the nature of such failure is such that the same cannot reasonably be cured within such thirty (30) day period, and the JEPA diligently commences such cure within such thirty (30) day period and thereafter diligently proceeds to rectify and cure such failure, then such failure shall not constitute a JEPA Event of Default; and provided, further, that if such failure is due to a Force Majeure Event, then such failure shall not constitute a JEPA Event of Default for so long as the Force Majeure Event or the actual collateral effects of such Force Majeure Event exists.

(b) The occurrence of the following events shall constitute an event of default by the Port hereunder (each, a “Port Event of Default”): failure by the Port to perform any express or implied covenants or conditions in this Site Lease, where such failure continues for thirty (30) days after written notice thereof from the JEPA, with a copy thereof to the City and RIDA; provided that, if the nature of such failure is such that the same cannot reasonably be cured within such thirty (30) day period, and the Port diligently commences such cure within such thirty (30) day period and thereafter diligently proceeds to rectify and cure such failure, then such failure shall not constitute a Port Event of Default; and provided, further, that if such failure is due to a Force Majeure Event, then such failure shall not constitute a Port Event of Default for so long as the Force Majeure Event or the actual collateral effects of such Force Majeure Event exists.

Section 17. Remedies on Default.

(a) Upon the occurrence and during the continuance of a JEPA Event of Default, the Port may exercise any and all remedies granted by law or equity which do not adversely affect the interests of the Owners of the Bonds, provided that so long as the Bonds are Outstanding pursuant to the Indenture, the Port may not terminate this Site Lease without the consent of the Owners of a majority in the aggregate of the principal amount of the Bonds outstanding under the Indenture, and shall have no right to any Revenues pledged under the Indenture with respect to any JEPA Event of Default. The Trustee is a third party beneficiary of this Section 17(a).

(b) Upon the occurrence and during the continuance of a Port Event of Default, the JEPA, or the Trustee with respect to the enforcement of any Assigned Rights, shall have the right to bring an action to compel the Port to specifically perform any of its express or implied covenants or agreements contained herein.

Section 18. “As-Is Lease and Waivers.”

(a) JEPA’s Acknowledgment. The JEPA acknowledges that prior to entering into this Site Lease, the Port has given the JEPA sufficient opportunity to consider, inspect and review, to the JEPA’s complete satisfaction: (1) any and all rights, appurtenances, entitlements, obligations, and liabilities concerning the Site, including without limitation any Existing Improvements; (2) the physical condition of the Site, including, without limitation, the condition and value of any Existing Improvements and the soils, subsoil media, and ground waters at or under the Site; (3) the risk of climate change and the possible adverse consequences thereof, including, without limitation, rises in sea level and possible damage to and destruction of the Site; (4) the development potential of the Site including, without limitation, as may be affected by the preceding clause (3); (5) the effect of all Laws, including, without limitation, those concerning land use, environmental quality and maintenance, endangered species, and traffic regulation; (6) the financial prospects of the Site and local market conditions; (7) the JEPA’s determination of the feasibility of the JEPA’s intended use and enjoyment of the Site; (8) the presence of any Pre-Existing Hazardous Material and any other contamination of the Site, including any Existing Improvements, soils, groundwater and adjacent to

San Diego Bay water and sediment; and (9) all other facts, circumstances, and conditions affecting, concerning or relating to the Site. The land use; the environmental, biological, physical and legal condition of the Site; the risks associated with possible climate change; the feasibility of the JEPA's intended use and enjoyment of the Site; and such other facts, circumstances and conditions being collectively referred to herein as the "Condition of the Site"; and, without limitation on any other provision of this Site Lease, the JEPA expressly assumes the risk that adverse conditions affecting the Site have not been revealed by the JEPA's investigations.

(b) Only the Port's Express Written Agreements Binding. The JEPA acknowledges and agrees that no Person acting on behalf of the Port is authorized to make, and that except as expressly set forth in this Site Lease, neither the Port nor anyone acting for or on behalf of the Port has made, any representation, warranty, agreement, statement, guaranty or promise to the JEPA, or to anyone acting for or on behalf of the JEPA, concerning the Condition of the Site or any other aspect of the Site. The JEPA further acknowledges and agrees that no representation, warranty, agreement, statement, guaranty or promise, if any, made by any Person for or acting on behalf of the Port which is not expressly set forth in this Site Lease will be valid or binding on the Port.

(c) As-Is Lease. The JEPA further acknowledges and agrees that the JEPA's execution of this Site Lease shall constitute the JEPA's representation, warranty and agreement that the Condition of the Site has been independently verified by the JEPA to its full satisfaction, and that, except to the extent of the express covenants of the Port set forth in this Site Lease, the JEPA will be leasing the Site based solely upon and in reliance on its own inspections, evaluations, analyses and conclusions, or those of the JEPA's representatives; and that **THE JEPA IS LEASING THE SITE IN ITS "AS-IS, WITH ALL FAULTS" CONDITION AND STATE OF REPAIR INCLUSIVE OF ALL FAULTS AND DEFECTS, WHETHER KNOWN OR UNKNOWN, AS MAY EXIST AS OF THE JEPA'S EXECUTION OF THIS SITE LEASE, INCLUDING ANY EXISTING IMPROVEMENTS.** Without limiting the scope or generality of the foregoing, the JEPA expressly assumes the risk that the Site does not or will not comply with any Laws now or hereafter in effect.

(d) Waivers, Disclaimers and Indemnity.

(i) Waiver and Disclaimer. The JEPA hereby fully and forever waives, and the Port hereby fully and forever disclaims, all warranties of whatever type or kind with respect to the Site, whether expressed, implied or otherwise including, without limitation, those of fitness for a particular purpose, tenantability, habitability or use.

(ii) Port's Materials. The JEPA acknowledges that any information and reports, including, without limitation, any engineering reports, architectural reports, feasibility reports, marketing reports, soils reports, environmental reports, analyses or data, or other similar reports, analyses, data or information of whatever type or kind which the JEPA has received or may hereafter receive from Site Lease Landlord Parties (collectively, the "Landlord's Materials") have been furnished without warranty of any kind other than that the Port has delivered true and correct copies of each of the items set forth on Exhibit F attached hereto as each is filed in the Office of the District Clerk ("Port Documents") and on the express condition that the JEPA will make its own independent verification of the accuracy, reliability and completeness of such Landlord's Materials and that the JEPA will not rely thereon. Accordingly, subject to terms of Section 18(d)(iii) below, the JEPA agrees that under no circumstances will it make any claim against, bring any action, cause of action or proceeding against, or assert any liability upon, Site Lease Landlord Parties or any of the Persons that prepared or furnished any of the Landlord's Materials as a result of the inaccuracy,

unreliability or incompleteness of, or any defect or mistake in, any such Landlord's Materials, and the JEPA hereby fully and forever releases, acquits and discharges Site Lease Landlord Parties and each Person furnishing such Landlord's Materials of and from, any such claims, actions, causes of action, proceedings or liability, whether known or unknown (other than in connection with the Port's breach of its representation and warranty set forth in this Section 18(d)(ii) that the Port has delivered to the JEPA true and correct copies of each of the Port Documents set forth on Exhibit F attached hereto).

(iii) Release and Waiver. Except to the extent of Claims (as defined below) against the Port arising from any breach by the Port of its covenants and obligations expressly provided in this Site Lease or the Port's representation and warranty set forth in Section 18(d)(ii), the JEPA, on behalf of the JEPA, its successors and assigns, hereby fully and forever releases, acquits and discharges the Site Lease Landlord Parties of and from, and hereby fully, and forever waives and agrees not to assert any and all claims, actions, causes of action, suits, proceedings, demands, rights, damages, Related Costs, losses, judgments, provisional relief, fines, penalties, and fees, including, without limitation, any and all claims for compensation, reimbursement, or contribution whatsoever (individually and collectively, "Claims"), whether known or unknown, direct or indirect, foreseeable or unforeseeable, absolute or contingent, that the JEPA, the City, or any Tenant Party, Hotel Operator or any of the JEPA's successors or assigns now has or may have or which may arise or be asserted in the future arising out of, directly or indirectly, or in any way connected with: (i) any act or omission of the Port (or any Person acting for or on behalf of the Port or for whose conduct the Port may be liable), whether or not such act be the active, passive or sole negligence of the Port, in connection with prior ownership, maintenance, operation or use of the Site; (ii) any condition of environmental contamination or pollution at the Site (including, without limitation, any Pre-Existing Hazardous Material or other contamination or pollution of any soils, subsoil media, surface waters or ground waters at the Site and any clean-up or abatement order effecting the Site); (iii) to the extent not already included in clause (ii) above, the prior, present or future existence, release or discharge, or threatened release, of any Hazardous Materials at the Site (including, without limitation, the release or discharge, or threatened release, of any Hazardous Materials into the air at the Site or into any soils, subsoils, surface waters or ground waters at the Site); (iv) the violation of, or noncompliance with, any Environmental Law or other applicable Law now or hereafter in effect, however and whenever occurring; (v) the condition of the soil and groundwater at the Site; (vi) the Condition of the Site, including, without limitation, the condition of any improvements located on the Site including, without limitation, the structural integrity and seismic compliance of such improvements; (vii) any matters which would be shown on an accurate ALTA land survey of the Site (including, without limitation, all existing easements and encroachments, if any); (viii) all applicable Laws now or hereafter in effect; (ix) matters which would be apparent from a visual inspection of the Site; or (x) to the extent not already covered by any of the foregoing clauses (i) through (ix) above, the use, maintenance, development, construction, ownership or operation of the Site by the Port or any predecessor(s)-in-interest in the Site of the Port.

The JEPA hereby RELEASES the Site Lease Landlord Parties from, COVENANTS NOT TO SUE the Site Lease Landlord Parties for and ASSUMES FOR ITSELF all obligations, requirements and liabilities of the JEPA under this Section 18, including any claims for contribution, equitable indemnity or otherwise seeking to transfer or limit the obligations, requirements and liabilities of the JEPA under this Section 18. With respect to all releases made by the JEPA under or pursuant to this Section 18, the JEPA hereby waives the application and benefits of California Civil Code §1542 and hereby verifies that it has read and understands the provision of California Civil Code §1542 set forth below.

“A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.”

JEPA: _____

(iv) Survival. The terms of this Section 18 shall survive the expiration or earlier termination of this Site Lease.

Section 19. Equal Employment Opportunity/Nondiscrimination and OFAC.

(a) Nondiscrimination. The JEPA shall comply with Title VII of the Civil Rights Act of 1964, as amended; the Civil Rights Act of 1991; the California Constitution; the California Fair Employment and Housing Act; the ADA; and any other applicable Laws now existing or hereinafter enacted, requiring equal employment opportunities or prohibiting discrimination. This shall include, without limitation, Laws prohibiting discrimination because of race, color, religion, sex, national origin, ancestry, physical or mental disability, veteran status, medical condition, marital status, age, sexual orientation, pregnancy, or other non-job related criteria. In complying with all such Laws, including, without limitation the ADA, the JEPA shall be solely responsible for such compliance and required programs, and there shall be no allocation of any such responsibility between the Port and the JEPA. The subtenant under the Facility Lease, the sub-subtenant under the Sublease, the Hotel Operator and any sub-sub-tenant of the sub-subtenant under the Sublease (with respect to their operation of the Facility only) shall comply with the requirements of this Section 19.

(b) Compliance with Employment and Labor Requirements. The JEPA shall comply with the Federal Fair Labor Standards Act of 1938; the Federal Labor-Management Reporting and Disclosure Act of 1959; the Occupational Safety and Health Act of 1970; the California Constitution; and any other Laws now existing or hereinafter enacted, regarding employment and labor practices. The JEPA shall also comply with the National Labor Relations Act, including the provisions with respect to the rights of employees to organize.

(c) OFAC Compliance. The JEPA represents and warrants that (i) the JEPA and, to the best of the JEPA’s knowledge, the Port and the City (collectively, “the JEPA’s Members”, each a “JEPA Member”) is not now a Person with whom the Port or any citizen of the United States is restricted from doing business with under the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, H.R. 3162, Public Law 107-56 (commonly known as the “USA Patriot Act”) and regulations promulgated pursuant thereto, or under any successor statutes or regulations, including, without limitation, persons and entities (“Prohibited Persons”) named on the Specially Designated Nationals and Blocked Persons List maintained by the Office of Foreign Assets Control, Department of the Treasury (“OFAC”) or a Person with whom a citizen of the United States is prohibited to engage in transactions by any trade embargo, economic sanction, or other prohibition of United States law, regulation, or Executive Order of the President of the United States, (ii) to the best of the JEPA’s knowledge, none of the funds or other assets of the JEPA constitute property of, or are beneficially owned, directly or indirectly, by any Prohibited Persons (iii) to the best of the JEPA’s knowledge, no Prohibited Person directly or indirectly Controls the JEPA, or any of the JEPA’s Members, either individually or in the aggregate and (iv) to the best of the JEPA’s knowledge, none of the funds of the JEPA have been

derived from any unlawful activity with the result that the investment in the JEPAs is prohibited by Laws or that this Site Lease is in violation of Laws. The JEPAs covenant and agree that at no time during the Term shall the JEPAs Member with a twenty percent (20%) or more direct or indirect interest in the JEPAs be a Prohibited Person. The JEPAs shall reimburse the Port for all reasonable costs, including, without limitation, attorneys' fees, resulting from the JEPAs' failure to comply with this Section 19 other than a failure caused by the Port in its capacity as a JEPAs Member. If the JEPAs receives written notice that any of the JEPAs' Members (other than any such Person that holds an interest in the JEPAs through publicly traded securities) is a Prohibited Person, then the JEPAs shall promptly use the JEPAs' best and reasonable efforts to cause such Person to divest such Person's interests in the JEPAs. Notwithstanding any limits set forth in this Section 19, any Person who is blocked under the USA Patriot Act shall be blocked to the full extent required under the USA Patriot Act and any regulations promulgated thereunder.

Section 20. Waiver. No waiver of any provision of this Site Lease shall be implied by any failure of a party to enforce any remedy on account of the violation of such provision, even if such violation shall continue or be repeated subsequently. Any waiver by a party of any provision of this Site Lease may only be in writing, and no express waiver shall affect any provision other than the one specified in such waiver and that one only for the time and in the manner specifically stated. Subject to Section 29, the Port shall have the power and authority to waive any requirement of the JEPAs under this Site Lease.

Section 21. End of Term. This Site Lease shall terminate without further notice at expiration of the Term. Notwithstanding anything herein to the contrary, in no event shall the Term, together with any holdover period, exceed sixty-six (66) years.

Section 22. Binding Effect. Each of the provisions of this Site Lease shall extend to and shall, as the case may require, bind or inure to the benefit not only of the Port and of the JEPAs, but also of their respective heirs, successors or assigns, provided this clause shall not permit any assignment, sublease or transfer by the JEPAs contrary to the provisions of Section 7 of this Site Lease.

Section 23. No Merger. During the Term, the Port's fee interest in the Site shall never be merged with the JEPAs' leasehold interest in the Site pursuant to this Site Lease.

Section 24. Partial Invalidity. If any one or more of the terms, provisions, covenants or conditions of this Site Lease shall to any extent be declared invalid, unenforceable, void or voidable for any reason whatsoever by a court of competent jurisdiction, the finding or order or decree of which becomes final, none of the remaining terms, provisions, covenants and conditions of this Site Lease shall be affected thereby, and each and every other term, provision, covenant or condition of this Site Lease shall be valid and enforceable to the fullest extent permitted by Laws.

Section 25. Governing Law; Compliance with Law; Venue.

(a) This Site Lease shall be governed by and construed in accordance with the laws of the State of California.

(b) The JEPAs shall in all activities on or in connection with the Facility, and in all uses thereof, including without limitation the Permitted Use and any construction of the Convention Center or the making of any Alterations, abide by and comply with, and cause the City to

abide by and comply with, and require the City to enforce the requirement under the Sublease to have the Tenant Parties and Hotel Operator to comply with all Laws at RIDA's sole cost and expense, and the Port shall not have any obligations or responsibilities to comply with any Laws as to the Facility or any use thereby by the JEPA, the City, the Tenant Parties or Hotel Operator. In particular and without limitation, the JEPA, subject to the limitations set forth in Section 29(b), shall have the sole and exclusive obligation and responsibility to comply with the requirements of the following: (i) the San Diego Unified Port District Code, including without limitation, Article 10 (Stormwater Management and Discharge Control), (ii) the ADA, including but not limited to regulations promulgated thereunder, (iii) applicable federal, state and local laws and regulations regarding employment and labor practices, including, without limitation, the provisions of Section 19, (iv) any Coastal Development Permit ("CDP") (including any conditions of approval or mitigation measures or project changes pursuant to the environmental review under the California Environmental Quality Act ("CEQA")) or any other California Coastal Commission regulations or local, state or federal requirements now or hereafter affecting the Facility, including the use or development thereof, (v) the Port Master Plan ("PMP"), (vi) any other development permits or approvals accepted by the JEPA, and (vii) the policies adopted by the BPC.

(c) The venue for any legal proceeding shall be in San Diego County, California.

Section 26. Landlord Transfer. The JEPA acknowledges that, subject to the Port Act and the oversight of the California State Lands Commission, the Port may be required by applicable law to transfer all or any portion of its interest in the Site and in this Site Lease, and the JEPA agrees that in the event of any such transfer and the concurrent express assumption of all of the Port's obligations hereunder and under each of the documents set forth on Exhibit G attached hereto (a "Landlord Transfer"), the Port shall automatically be released from all liability under this Site Lease for periods after the date of such Landlord Transfer, and the JEPA agrees to look solely to such transferee for the performance of the Port's obligations hereunder that arise after the date of such Landlord Transfer. Each landlord hereunder shall be liable only for those obligations arising during its period of ownership and shall be released from further obligations after it completes a Landlord Transfer.

Section 27. Time of Essence. Time is of the essence with respect to this Site Lease and each of its provisions.

Section 28. Representatives. Whenever under the provisions of this Site Lease the approval of the JEPA or the Port is required, or the JEPA or the Port is required to take some action at the request of the other, such approval or such request shall be given for the JEPA by an Authorized Representative of the JEPA and for the Port by an Authorized Representative of the Port (except as such authority may be limited by the Port Act or BPC) from time to time; provided, however, the Port may elect to obtain approval of the BPC as a condition to exercising this authority and any party hereto shall be authorized to rely upon any such approval or request; provided, further, that any election by the Port to obtain approval of the BPC shall not affect the standard applicable to the Port's approval under this Site Lease.

Section 29. Limitation on Liability.

(a) All liabilities under this Site Lease on the part of the Port shall be solely liabilities of the Port as a public corporation, and the JEPA hereby releases each and every officer, director, member of the BPC, employee, partner, affiliate, agent, or contractor of the Port of and from any personal or individual liability under this Site Lease. No officer, director, member of the BPC,

employee, partner, affiliate, agent, or contractor of the Port shall at any time or under any circumstances be individually or personally liable under this Site Lease to the JEPAs or to any other party whomsoever for anything done or omitted to be done by the Port hereunder.

(b) All liabilities under this Site Lease on the part of the JEPAs shall be solely liabilities of the JEPAs as a joint exercise of powers entity, and the Port hereby releases each and every member of the Board of Directors of the JEPAs and any officer, employee, staff member, or agent of the JEPAs, the City, or the Port, including without limitation any officer, employee, staff member or agent of the JEPAs that is also an officer, employee or agent of the City or Port (collectively, the “JEPAs Parties”) of and from any personal or individual liability under this Site Lease. None of the JEPAs Parties shall at any time or under any circumstances be individually or personally liable under this Site Lease to the Port or to any other party whomsoever for anything done or omitted to be done by the JEPAs hereunder. Notwithstanding anything to the contrary set forth in this Site Lease: (i) except for liability related to the JEPAs’s negligence, willful misconduct or breach by the JEPAs of its obligations under this Site Lease, liability for payment and performance of any and all of its obligations hereunder is a limited liability of the JEPAs payable only from amounts paid to the JEPAs by the City under the Facility Lease or by RIDA under the Sublease, and (ii) the JEPAs shall have no obligation to appropriate amounts from any other source of funds to pay any amount due hereunder or to perform any covenant herein.

Section 30. Notices. All notices or other communications hereunder shall be in writing and shall be sufficiently given and shall be deemed given when delivered or, if mailed by first class mail, postage prepaid, on the third day after deposit in the U.S. Mail to each of the parties listed below at the addresses set forth below. Copies of any notice given to a Party shall also be given to the City, the Port, RIDA and the Trustee.

The JEPA, the City, the Port, RIDA and the Trustee, by notice given hereunder, may designate different addresses to which subsequent notices or other communications will be sent. Notices to the Trustee may be given by electronic mail but shall not be deemed delivered until delivered by first class mail, postage prepaid.

Section 31. Further Assurances and Corrective Instruments. The JEPA and the Port shall execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Site hereby leased or intended to be leased or for carrying out the expressed intention of this Site Lease. Notwithstanding the foregoing, even if the Executive Director (or other applicable representative) of the Port has authority to enter into such supplements and instruments, the Executive Director (or other applicable representative) of the Port may elect to obtain the approval of the BPC as a condition to exercising such authority.

Section 32. Amendment. The terms of this Site Lease shall not be waived, altered, modified, supplemented or amended in any manner whatsoever, except by written instrument signed by the JEPA and the Port; provided any amendment shall be made in accordance with Section 5.9 of the Indenture; provided, further, that the consent of the subtenant under the Facility Lease and the sub-subtenant under the Sublease shall be required for any waiver, alteration, modification, supplement or other amendment of the terms of this Site Lease if such consent is required under the terms of the Project Implementation Agreement. The JEPA shall not consent to a waiver, alteration, modification, supplement or other amendment of the terms of the Specified Agreements without the consent of the Port.

Section 33. Entire Agreement. It is understood and acknowledged that there are no oral agreements between the JEPA and the Port affecting this Site Lease and this Site Lease supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the JEPA and the Port with respect to the subject matter hereof, except for the Prior Agreements (as set forth on Exhibit I, the "Prior Agreements"), the Contemporaneous Agreements and the Approved Agreements to which both are a party. This Site Lease contains all of the terms, covenants, conditions, warranties and agreements of the JEPA and the Port relating in any manner to the rental, use and occupancy of the Facility and shall be considered to be the only agreement between the JEPA and the Port and their representatives and agents, except for the applicable Prior Agreements, the applicable Contemporaneous Agreements, and the applicable Approved Agreements. All negotiations and oral agreements acceptable to the JEPA and the Port have been merged into and are included herein. There are no other representations or warranties between the JEPA and the Port, and all reliance with respect to representations is based totally upon the representations and agreements contained in this Site Lease. However, the JEPA acknowledges and agrees that other documents may restrict the JEPA's use of the Facility or impose other obligations not specifically referenced in this Site Lease, including, but not limited to, conditions of approval of a CDP or mitigation measures under CEQA.

Section 34. Brokers. The Port and the JEPA each hereby warrant to each other that neither has retained or employed any real estate broker or agent in connection with the negotiation of this Site Lease. The JEPA shall be solely responsible for the payment of any fee or commission due to any broker and agrees to indemnify and defend and hold the Port harmless from any and all claims, demands, losses, liabilities, lawsuits and costs and expenses (including without limitation reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing by the Port.

Section 35. Captions. The captions or headings in this Site Lease are for convenience only and in no way define, limit or describe the scope or intent of any provision or section of this Site Lease.

Section 36. Execution in Counterparts. This Site Lease may be executed in any number of counterparts, each of which shall be deemed to be an original, but all together shall constitute but one and the same instrument.

Section 37. Drafting Presumption; Review Standard. The parties acknowledge that this Site Lease has been agreed to by both the parties, that both the JEPAs and the Port have consulted with attorneys with respect to the terms of this Site Lease and that no presumption shall be created against the drafting party. Any deletion of language from this Site Lease prior to its execution by the JEPAs and the Port shall not be construed to raise any presumption, canon of construction or implication, including, without limitation, any implication that the parties intended thereby to state the converse of the deleted language. Unless otherwise specified in this Site Lease, any approval or consent to be given by Port or BPC may be given or withheld in Port's or BPC's sole and absolute discretion.

Section 38. Transaction Costs. To the extent the JEPAs request any approval, consent or other action by the Port (including, without limitation, in connection with any proposed encumbrance, easement, Alterations, Financing Transaction or Transfer), the JEPAs shall pay or reimburse the Port, upon written demand therefor, all of the Port's reasonable attorneys' fees and other third party costs incurred by the Port in connection therewith, together with the Port's then current processing or cost recovery fee for similar transactions consistent with any schedule of such fees then utilized by the Port. The Port shall provide the JEPAs with a copy of any such fee schedule following written request therefor from JEPAs. Such costs and fees shall be payable to the Port whether or not the Port grants such approval or consent, or undertakes the action requested by the JEPAs. The JEPAs' obligation to make payments pursuant to this Section 38 is limited as set forth in Section 29(b) hereof.

Section 39. Constitutional Rights. Nothing in this Site Lease is intended to limit any rights that any party has under the Constitution of the United States of America or the California State Constitution with respect to any act, including the enactment of any Law, by the Port or any other Governmental Authority, including, without limitation, any claim for a taking, and this Site Lease shall be construed as to give effect to such intent.

Section 40. Consents. The Port agrees that whenever the JEPAs request the Port's consent in connection with the City's request for the JEPAs' consent under the Facility Lease due to RIDA's request for the City's consent under the Sublease, the Port will grant or deny such request using the same standard of discretion, and within the same time period, as would be applicable to the City under the Sublease with respect to such request.

Section 41. Memorandum of Lease. The Port and the JEPAs shall each execute and properly acknowledge a short form memorandum of this Site Lease in the form attached hereto as Exhibit J. The JEPAs may record a copy of such memorandum at its cost and expense. Upon the expiration or earlier termination of this Site Lease, the JEPAs agree to execute, acknowledge and deliver to the Port a quitclaim deed in recordable form, releasing and quitclaiming to the Port all right, title and interest of JEPAs in and to the Site and terminating the short form memorandum.

Section 42. Project Implementation Agreement. Certain rights and obligations of the Port and the JEPA with respect to the Facility are set forth in the Project Implementation Agreement. Among other provisions, the Project Implementation Agreement includes certain rights of the Port to grant easements, licenses, and access agreements with respect to the Site and such rights are expressly reserved herein by the Port.

IN WITNESS WHEREOF, the parties have caused this Site Lease to be executed by their duly authorized representatives on the date and year first above written.
