## DISCUSSION

On August 5, 2022, the City of Chula Vista issued Request for Bid (RFB) # B06-2023 for nineteen (19) units of 2023 Ford Interceptor Utility Hybrid Vehicles for the Police Department. As a result of the bid process, the City is recommending to select So Cal Penske Dealer Group to purchase the vehicles.

During the bid process, 155 vendors were notified of the bid, and ten vendors downloaded the bid. The following two bids were submitted:

Vendor	Quantity	Item Description	Unit Cost	Bid Amount
So Cal Penske Dealer Group	19	2023 Ford Interceptor Utility Hybrid Vehicle	\$53,201.10	\$1,010,820.90
Fritts Ford	19	2023 Ford Interceptor Utility Hybrid Vehicle	\$54,970.63	\$1,044,441.97

The price offered by So Cal Penske Dealer Group, which is lower of the two bids, appears competitive for current market conditions and with past pricing.

## DECISION-MAKER CONFLICT

Staff has reviewed the decision contemplated by this action and has determined that it is not site-specific and consequently, the 500-foot rule found in California Code of Regulations Title 2, section 18702.2(a)(11), is not applicable to this decision for purposes of determining a disqualifying real property-related financial conflict of interest under the Political Reform Act (Cal. Gov't Code § 87100, et seq.).

Staff is not independently aware and has not been informed by any City Council member of any other fact that may constitute a basis for a decision maker conflict of interest in this matter.

## CURRENT-YEAR FISCAL IMPACT

The \$1,010,821 cost of the 19 Ford Interceptor Utility Hybrid Vehicles is already included in the City's Infrastructure, Facilities and Equipment expenditure plan (Measure P funding) and Public Safety Expenditure Plan (Measure A funding) for fiscal year 2023. Approval of this resolution has no net fiscal impact to the General Fund.

## ONGOING FISCAL IMPACT

The ongoing fiscal impact from maintenance and fuel costs will be considered as part of the annual budget development process.
