California Elections Code section 10403 requires the City Council to adopt a resolution requesting the Board of Supervisors to consolidate Chula Vista's election with the statewide election and to permit the Registrar of Voters to perform certain services in conjunction with the City's election.

California Elections Code section 13307 provides that the local agency must adopt regulations about the materials prepared by candidates and the costs thereof. Historically, the City has allowed each candidate to submit a candidate statement of no more than 200 words. Candidates who choose to file a candidate's statement for the Special Runoff Election in November will be required to pay a deposit at the time their statements are filed with the City Clerk. Should the actual cost be less than the amount of the deposit, the balance will be refunded to the candidates; and should the actual cost be more, candidates will be billed for the difference.

**DECISION-MAKER CONFLICT**

Staff has reviewed the decision contemplated by this action and has determined that it is not site-specific and consequently, the real property holdings of the City Councilmembers do not create a disqualifying real property-related financial conflict of interest under the Political Reform Act (Cal. Gov't Code § 87100, et seq.).

Staff is not independently aware and has not been informed by any City Councilmember, of any other fact that may constitute a basis for a decision-maker conflict of interest in this matter

**CURRENT-YEAR FISCAL IMPACT**

It is anticipated that the November 8, 2022, Special Election will require a budget of \$315, 000. This has been allocated in the FY2023 budget.

**ONGOING FISCAL IMPACT**

There is no ongoing fiscal impact.
