Deed Restriction: Approve a Deed Restriction on Park Property as Required as a Condition of a Grant Award

Report Number: 22-0311

Location: Rancho Del Rey Park, 1311 Buena Vista Way

Department: Community Services – Parks and Recreation

Environmental Notice: The Project qualifies for a Categorical Exemption pursuant to the California Environmental Quality Act State Guidelines Section 15301 Class 1 (Existing Facilities), Section 15303 class 3 (New Construction or Conversion of Small Structures), and Section 15304 Class 4 (Minor Alterations to Land).

Recommended Action

Adopt a resolution authorizing a deed restriction for the Rancho Del Rey Park property as required as a condition of the Per Capita Grant award through Proposition 68.

SUMMARY

The City of Chula Vista was awarded \$177,952 in grant funds from the State of California. Funds are available for local park rehabilitation, creation, and improvement grants to local governments on a per capita basis. The project utilizing the grant funds is to install solar lighting along the pathway at Rancho Del Rey Park and improve the asphalt pathway in the park (PRK0326). The grant award is conditioned upon the recordation of a deed restriction on the title to the property to safeguard the property for purposes consistent with the grant through June 30, 2048.

ENVIRONMENTAL REVIEW

The Director of Development Services has reviewed the proposed project for compliance with the California Environmental Quality Act (CEQA) and has determined that the project qualifies for a Categorical Exemption pursuant to State CEQA Guidelines Section 15301 Class 1 (Existing Facilities), Section 15303 class 3 (New Construction or Conversion of Small Structures), and Section 15304 Class 4 (Minor Alterations to Land) because the proposed actions would not result in a significant effect on the environment, create a cumulative

impact, damage a scenic highway, or cause a substantial adverse change in the significance of a historical resource. Thus, no further environmental review is required.

BOARD/COMMISSION/COMMITTEE RECOMMENDATION

Not applicable.

DISCUSSION

This Per Capita program originates from Proposition 68, placed on the ballot via Senate Bill 5 (DeLeon, Chapter 852, statutes of 2017), and approved by California voters on June 5, 2018. Funds were available for local park rehabilitation, creation, and improvement grants to local governments on a per capita basis to rehabilitate existing infrastructure and to address deficiencies in neighborhoods lacking access to the outdoors.

The total allotment of Per Capita Grant funds to the City of Chula Vista is \$177,952 and City Council authorized the applications for projects at Rancho Del Rey Park on December 7, 2021 (Resolution 2021-218).

The project at Rancho Del Rey Park is to improve the asphalt pathway spine throughout the park, provide Americans with Disabilities Act (ADA) access to the playground and gazebo, and install solar lighting along the pathway illuminating the park after sunset.

The grant approval is subject to, among other conditions, recordation of a deed restriction on the Property for the site location. The deed restriction is to ensure that the property will be used for purposes consistent with the grant through June 30, 2048 (See Attachment 1: Grant Contract; Attachment 3: Deed Restriction Form – Rancho Del Rey Park).
