Hello,

As a citizen of Chula Vista, I oppose item 4.1 on the agenda.

These positions should be elected by the citizens, not selected by current council members.

Thank you,

I forthright oppose the nomination of Devonna Almagro as our representative in district 3. She is not a resident from our district and she lied about her address and education. What kind of councilmember would she be?

We deserve better!

Thank you,  
City of Chula Vista

The city council representative for district 3 should be chosen by the people, not political cronies. Stop the corruption. They just want to bring in somebody who will immediately be indebted to a small group of insiders who want to control our city government. They chose Chula Vista since it is a "soft target," with a predominantly Hispanic working-class population. They would never try something like this in Coronado or Carlsbad.

Once somebody is appointed then they will be in government for life like Mary Salas and Steve Padilla, and pushing the most extreme policies that victimize our children like their drag queen story hour.

Dear Honorable Mayor and Council Members,

I strongly urge you NOT to vote for Devonna Almagro to fill the District 3 city council vacancy.

Our city will be better served by someone with integrity. We do not want to become the center of scandal, especially in light of the George Santos debacle in Washington DC.

The citizens of Chula Vista trust you to do the right thing and stand up to political pressure and cronyism.

Thank you,
