## **Section 303(C)(6) REMOVE IN PERSON VOTE**

Mail Ballot Only Option in Case of Special Election. If a vacancy in the office of an Elected Official is to be filled utilizing a special election that is not consolidated with a scheduled federal, State or local polling place election, the City Council may authorize such election to be conducted wholly by mail ballot.

## **Section 602(D) ALLOW NON CITIZENS HOLD PUBLIC OFFICE**

Eliminate the requirement that most board and commission members be “qualified electors” (i.e., U.S. citizens), and instead requiring City residency with some exceptions. The City Council may appoint non-Residents to boards and commissions where expressly allowed under this Charter.

## **Section 1204 BYPASS VOTE OF PEOPLE FUTURE CHANGES TO CHARTER**

The City Council may enact additional rules or regulations, either by ordinance or resolution, as appropriate, in order to implement some or all of the terms of this Charter, provided that any such rule or regulation shall be consistent with the terms of this Charter.
