DEVELOPMENT AGREEMENT

among

**THE CITY OF CHULA VISTA,
a California charter city and municipal corporation**

and

the entities comprising the "OWNER" as defined in Section 1.16 below

THIS DEVELOPMENT AGREEMENT ("Agreement") is entered into as of the Effective Date (as defined below) by and among THE CITY OF CHULA VISTA, a California charter city and municipal corporation ("City"), and the entities comprising the "OWNER" as defined in Section 1.16 below. The City or the Owner are sometimes individually referred to in this Agreement as a "Party" and are collectively referred to as the "Parties". The Parties enter into this Agreement with reference to the following recited facts (each a "Recital"):

RECITALS

A. To strengthen the public planning process, encourage private participation in comprehensive planning and to reduce the economic risk of development, the State of California has enacted the Development Agreement Statute, found at Sections 65864 et seq., of the California Government Code.

B. The City is authorized by the Development Agreement Statute and by its City Charter to enter into development agreements with persons and entities having legal or equitable interests in real property for the purpose of establishing predictability for both the City and the property owner in the development process and in the provision of public infrastructure and public benefits.

C. Owner has a legal or equitable interest in that certain real property consisting of approximately 362.7 acres of land located in the City of Chula Vista, County of San Diego, State of California, more particularly described and depicted in Exhibit "A" to this Agreement (the "Property").

D. The Property is located in the Otay Ranch Village of Montecito Sectional Planning Area Plan ("SPA Plan"). It is currently partially developed having previously been entitled by the City for the development contemplated by the SPA Plan.

E. Owner desires to amend the land use designations for areas of the SPA Plan to allow for additional residential units, parkland, school site and CPF facilities to enhance the Property as a unified, walkable and mixed-use development which offers potential residents additional housing options (the "Project"). A general description and depiction of key elements of the Project is contained in Exhibit "B" to this Agreement.

F. Owner has requested that the City enter into a development agreement for the development of the Project on the Property, and the City desires to enter into this Agreement pursuant to the provisions of the California Government Code, the City Charter, the General Plan, the City Municipal Code, and applicable City policies.

G. This Agreement assures that development of the Project will occur in accordance with the General Plan, the Otay Ranch General Development Plan ("Otay Ranch GDP"), the SPA Plan, as amended by the Project Approvals, and all of the implementing regulations for those various Plans.

H. This Agreement constitutes a current exercise of the City's police powers to provide predictability to the Owner in the development approval process by vesting the permitted uses, density, intensity of use, and timing and phasing of the Project in exchange for the Owner's commitment to provide significant public benefits to City

I. This Agreement is also intended to ensure that the Owner has provided funding sufficient to provide the adequate and appropriate infrastructure and public facilities required by the development of the Project, and that this infrastructure and public facilities will be available no later than when required to serve the Project's demand

J. The commitments of the Owner made in this Agreement allow the City to realize significant economic, recreational, park, open space, educational, social, public facilities or other public benefits. These public benefits will advance the interests and meet the needs of Chula Vista's residents and visitors to a significantly greater extent than would development of the Project under the current entitlements and absent this Agreement.

K. In return for the Owner's commitment to provide these public benefits, the City is willing to exercise its authority to enter into this Agreement and to make a commitment of predictability for the development process for the Project.

- 4.1 Owner's Vested Right. Owner shall have the vested right to complete the Project during the Term in accordance with the Project Approvals, the Subsequent Project Approvals, the Existing Land Use Regulations, and subject to the City's Reservation of Authority and this Agreement ("Owner's Vested Right"). Owner's Vested Right shall include the off-site CPF rights described in Section 4.10 below.
- 4.2 Governing Land Use Regulations. Except as otherwise provided in this Agreement, the Land Use Regulations applicable to the development of the Project shall be those contained in the Project Approvals, the Subsequent Project Approvals and the Existing Land Use Regulations. - 4.3 Permitted Uses. Except as otherwise provided within this Agreement, the permitted uses on the Property shall be as provided in the Project Approvals, the Subsequent Project Approvals and the Existing Land Use Regulations.
- 4.4 Density and Intensity; Requirement for Reservation and Dedication of Land. Except as otherwise provided in this Agreement, the density and intensity of use for the development of the Project, and the requirements for reservation and

dedication of land, shall be as provided in the Project Approvals, the Subsequent Project Approvals and the Existing Land Use Regulations.

4.5 Reservation of Authority. The following Land Use Regulations, Subsequent Land Use Regulations or other requirements shall apply to the Property and the Project:

4.5.1 Processing fees and charges imposed by the City to cover the City's estimated or actual costs of reviewing and processing applications for the Project, providing inspections, conducting annual reviews, providing environmental analysis, or for monitoring compliance with this Agreement or any Project or Subsequent Project Approvals granted or issued, provided such fees and charges are in force and effect on a general basis on the date of filing such applications with the City. This Section shall not be construed to limit the authority of City to charge its then-current, normal and customary application, processing, and permit fees for Project or Subsequent Project Approvals, building permits and other similar permits, which fees are designed to reimburse City's expenses attributable to such application, processing, and permitting and are in force and effect on a City-wide basis on the date of filing such applications with City, notwithstanding the fact that such fees may have been increased by City subsequent to the Approval Date;

4.5.2 Development impact fees, monetary exactions or other mitigation requirements imposed by the City as a condition precedent to the issuance of any permit or approval to cover the impacts associated with the development of the Project ("Development Impact Fee"), as required by the Project Approvals or Subsequent Project Approvals, provided such fees or other mitigation requirements are in force and effect on a general basis on the date of filing for such permit or approval with the City. However, this Agreement vests Owner the right, at its sole option, to defer the payment of the following Development Impact Fees, as applicable to the Project, and the Property, at the then-current amount, until the request for final inspection of a building permit: Sewer Capacity Fee; Public Facility Development Impact Fee; Eastern Transportation Development Impact Fee; Western Transportation Development Impact Fee; Telegraph Canyon Drainage Fee; Poggi: Canyon Sewer Development Impact Fee; Salt Creek Sewer Development Impact Fee; Otay Ranch Village 1 and 5 Pedestrian Bridge Development Impact Fee; Otay Ranch Village 11 Pedestrian Bridge Development Impact Fee; Park Acquisition and Development Fee; and any successor or replacement fees for the fees named above. This Section shall not be construed to limit the authority of the City to charge its then-current, normal and customary impact fees or other mitigation requirements in place at the time of the application for the permit or approval, notwithstanding the fact that

such fees may have been increased by the City subsequent to the Approval Date;

- 4.5.3 Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals, and any other matter of procedure;
- 4.5.4 The following, provided that they are uniformly applied to all development projects within the City:
 - 4.5.4.1 Uniform codes governing engineering and construction standards and specifications adopted by the City pursuant to state law. Such codes include, without limitation, the City's adopted version of the Uniform Administrative Code, California Building Code, California Plumbing Code, California Mechanical Code, California Electrical Code, and California Fire Code;
 - 4.5.4.2 Local amendments to those uniform codes which are adopted by the City pursuant to state law, provided they pertain exclusively to the preservation of life and safety;
 - 4.5.4.3 The City's standards and procedures regarding the granting of encroachment permits and the conveyance of rights and interests which provides for the use of or the entry upon public property; and
 - 4.5.4.4 The City's public improvement engineering ordinances, policies, rules, regulations and standards in effect when construction drawings for those improvements are submitted to City. City will reasonably consider requests for exceptions to and deviations from these public improvement engineering ordinances, policies, rules, regulations and standards necessary or desirable for implementation of the Project or the Project Approvals.
- 4.5.5 Regulations which may be in conflict with this Agreement, but which are required to protect the public health and safety;
- 4.5.6 State or federal laws or regulations which preempt local regulations or mandate local regulations or conditions that conflict with the development of the Project. This expressly includes mandates imposed through the Clean Water Act or the Porter-Cologne Water Quality Control Act;

- 4.5.7 Prior to exercising the Reservation of Authority provided in Sections 4.5.5 and 4.5.6, the City shall provide Owner with written notice of the state or federal law or regulation or the regulation required to protect the public health and safety that conflicts with this Agreement and a written explanation of the conflict created. Within ten (10) days of the City's written notice, City and Owner shall meet and confer in good faith in a reasonable attempt to apply the state or federal law or regulation or the regulation required to protect the public health and safety in a manner that is most consistent with this Agreement, preserves the terms of this Agreement and that protects the rights of Owner as derived from this Agreement to the extent reasonably possible while still following the applicable law or regulation;
- 4.5.7.1 Failure of City to provide notice identified in Section 4.5.7 shall not relieve Developer of its obligation to comply with such laws or regulations.
- 4.5.8 Owner shall be issued building permits for the Project after permit applications are reviewed and approved by City in the City's customary fashion for such review and approval; and
- 4.5.9 The exercise of the power of eminent domain
- 4.6 Vested Rights Upon Termination. Owner acknowledges that following termination of this Agreement, except as to any Project Approval or Subsequent Project Approval that has vested under state law without reliance on this Agreement, City may amend the General Plan, Otay Ranch GDP, SPA Plan or Land Use Regulations as they relate to the Project and the Property.
- 4.7 Compliance with CEQA. The City Council has found that the environmental impacts of the Project have been addressed in the Otay Ranch General Development Plan Program Environmental Impact Report 90-01, the Otay Ranch Villages Two, Three and a Portion of Four SPA Plan Final Second-Tier Environmental Impact Report ("EIR 02-02") (SCH#2003091012), and the Village Two Comprehensive SPA Plan Amendment Final Supplemental Environmental Impact Report ("EIR 12-01") (SCH No. 200 30.91.012). Where the California Environmental Quality Act requires that an additional environmental analysis be performed in connection with a Subsequent Project Approval or other future discretionary approval granted by the City for the Project, the Owner shall pay all of the City's reasonable costs to perform that additional analysis.
- 4.8 Timing of Development. Because the California Supreme Court held in Pardee Construction Co. v. City of Camarillo, 37 Cal. 3d 465 (1984), that the failure of the parties in that case to provide for the timing of development resulted in a later-adopted initiative restricting the timing of development to prevail over the parties'

agreement, it is the specific intent of the Parties to provide for the timing of the Project in this Agreement. To do so, the Parties acknowledge and provide that, subject to express terms of this Agreement including, without limitation, Sections 4.5.5 and 4.5.6, Owner shall have the right, but not the obligation, to complete the Project in such order, at such rate, at such times, and in as many development phases and sub-phases as Owner deems appropriate in its sole subjective business judgment.

4.9 Community Purpose Facilities.

4.9.1 Owner shall have the right to satisfy 9.0 acres of its community purpose facilities (CPF) requirements (Chula Vista Municipal Code Section 19.48.025) for the Project through the provision of a CPF facility on a 9 acre site located within the industrial area in Village 2 South (i.e., either IND-2 or IND-3 as depicted on Chula Vista Tentative Map 12-05). The City agrees that a non-profit (or for-profit, if approved by the City Manager) vocational or adult education school will qualify as a permitted CPF use.

4.9.2 Owner, with written approval from the City Manager, shall have the option, at its sole expense, to construct a swim facility in one of the future planned Neighborhood Parks (P-2, P-5 or P-6) as more particularly described on Exhibit "E" attached to this Agreement, funding that portion of the cost above what the normal PAD fees would otherwise cover. If Owner elects to construct the swim facility:

4.9.2.1 The swim facility will be a public facility owned and operated by the City;

4.9.2.2 To exercise its option to construct a swim facility, Owner shall submit to the City Manager a preliminary facility plan and a preliminary budget for the facility, including ongoing operation and maintenance, in sufficient detail to allow the City Manager to assess whether the facility will be sustainable and will meet the amenities outlined in Exhibit "E" to this Agreement. Within thirty (30) days of the City Manager's receipt of the preliminary facility plan and preliminary budget, the City Manager shall either provide Owner with written approval to construct the facility or notify Owner of any deficiencies in the preliminary facility plan and preliminary budget that will need to be resolved to obtain the City Manager's written approval.

4.9.2.3 Upon written approval of City Manager to pursue construction of the swim facility, City shall relieve Owner from the obligation to provide 3.9 acres of CPF in Village 7 as identified

in the agreement between the City and Otay Project, LP dated August 22, 2012 and allow Owner to process an application to re-zone that land from open space and low density single family residential to a higher density single family or multi-family residential. Owner will be allowed to apply for a transfer of approved units from Village 2 to Village 7; and

- 4.9.2.4 Owner shall have the option to process an application to rezone the 0.9 acre CPF-2 site in Village 2 South to a single family zone consistent with the surrounding zoning.
- 4.9.3 Prior to the earlier of (1) issuance of a building permit in neighborhoods MU-2, MU-3 or C-1 or (2) issuance of a permit for construction of P-3 park, Owner shall commence construction on the CPF-7 site (planned to be the homeowner's association swim club) and work diligently to completion.
- 4.9.4 Prior to approval of a Design Review application for any project in neighborhood MU-2, Owner shall demonstrate to the satisfaction of the Director of Development Services, the means by which the CPF-4 obligation will be met. Provision of a facility will be consistent with the SPA Plan and the Montecito Village Core Master Precise Plan.
- 4.10 Community Facilities District. Owner may choose to use a phased Community Facilities District (CFD) for the Project, which may have multiple improvement phases or bond series. City and Owner shall meet and confer regarding reasonable ways to lower the amount, if feasible, Owner must pay for the City's administration costs associated with such a phased CFD approach while providing the City with sufficient funds to cover the costs associated with the phased approach.
- 4.11 Fiscal Impact Fee. The 2,479 units within the Project which are subject to the Public Benefit Contribution as defined in Section 5.1.1 and as shown in the Public Benefit Contribution Table attached to this Agreement as Exhibit "F" shall be subject to an additional fiscal impact fee of eighty dollars (\$80), payable at the time of building permit issuance, in complete satisfaction of all fiscal impact funding requirements of the City Municipal Code, including CVMC 19.09.060(J), for the Project (the "Fiscal Impact Fee"). The Neighborhoods shown as exempt from the Public Benefit Contribution on the Public Benefit Contribution Table shall also be exempt from the Fiscal Impact Fee and any other fiscal impact funding requirements.

5. OWNER'S OBLIGATIONS AND PROVISION OF PUBLIC BENEFITS

5.1 Extraordinary Public Benefit Contribution

- 5.1.1 As consideration for City's approval of the 1,562 additional residential units for the Project approved on the Approval Date with the amendments to the General Plan, Otay Ranch GDP and the SPA Plan and performance of its obligations set forth in this Agreement, Owner shall make a contribution to City to be used for a public facility or facilities that shall be in addition to any other fee or charge to which the Property and the Project would otherwise be subject (the "Public Benefit Contribution") in the amounts specified in the table attached as Exhibit "F" (the "Public Benefit Contribution Table"). The Public Benefit Contribution was calculated to equal Five Thousand Dollars (\$5,000) for each of the 1,562 additional residential units, although it would be spread over 2,479 units within the Property as described in the Public Benefit Contribution Table.
- 5.1.2 The Public Benefit Contribution for each residential dwelling unit shall be payable at the time of building permit issuance for the unit in accordance with the Public Benefit Contribution Table. Owner shall have no obligation to obtain building permits in any particular order or obtain building permits for all of the units shown on the Public Benefit Contribution Table. Therefore, there is no guarantee that the entire Public Benefit Contribution will be paid.
- 5.1.3 Owner shall have the right to build the public facility or facilities to the satisfaction of the City Manager pursuant to a separate agreement with City pursuant to which Owner would have the right to reimbursement from Public Benefit Contributions previously made and credits against Public Benefit Contributions not yet made.
- 5.1.4 Owner agrees and acknowledges that its failure to satisfy the provisions of this Section shall constitute a default of its obligations under the Agreement and that upon any such default the City may pursue any of the remedies provided in this Agreement.

5.2 Public Facilities and Services.

- 5.2.1 Owner shall complete construction of a half width (i.e., two, striped one-way lanes) of Heritage Road between Santa Victoria Road and Main Street (the "Portion of Heritage Road") to the satisfaction of the City's Development Services Director before the earlier of (a) eighteen (18) months from the issuance of a rough grading permit on V2 South, or (b) December 31, 2016 (the "Completion Date"). The Completion Date shall be extended because of events that cannot reasonably anticipated or controlled as described in Section 11.16 of this Agreement.

- 5.2.1.1 City shall reimburse Owner for the costs of all TDIF improvements within the Portion of Heritage Road in an amount equal to the cost of the improvements within the Portion of Heritage Road estimated in the establishment of the TDIF fee, as it may be amended from time to time. In the event that Owner anticipates the costs to exceed the amount estimated for the improvements, Owner shall seek to have the TDIF amended such that the estimated costs equals that which the Owner anticipates. At the time of the execution of this Agreement, City shall have collected a certain dollar amount for a portion of such reimbursement from projects previously constructed within Village 2. Owner shall be entitled to reimbursement from such funds. As additional TDIF funds are collected by the City, such funds shall be available for reimbursement. This reimbursement shall be in lieu of TDIF credits for the amount reimbursed from TDIF funds and subject to the verification/approval process specified in the TDIF ordinance. City shall give Owner TDIF credits, subject to the verification/approval process specified in the TDIF ordinance, to the extent of any difference between the full cost of the TDIF improvements and the amount of TDIF funds available to reimburse Owner.
- 5.2.1.2 Upon request from Owner, City shall establish a reimbursement district or reimbursement agreement for all costs (both TDIF and non-TDIF) of the entire Heritage Road within six (6) months of the request. All owners and properties benefiting from the construction of Heritage Road shall be included in the reimbursement district or agreement and shall be required to contribute their fair share portion of the construction costs.

6. TERM AND TERMINATION.

6.1 Term of Agreement. The Term shall commence on the Effective Date. The Term shall continue for a period of twenty (20) years from the Effective Date, subject to the following:

6.1.1.1 Litigation is pending which challenges any matter, including compliance with CEQA or any other local, state, or federal law, related in any way to the approval or implementation of all or any part of the Project Approvals. Any such extension shall be equal to the time between the filing of litigation, on the one hand, and the entry of final judgment or dismissal, on the other.

- 6.1.1.2 Any other delay occurs which is beyond the control of the Parties, as described in Section 11.16.
- 6.1.2 During the Term, certain portions of the Property may be released from this Agreement as provided elsewhere in this Agreement.
- 6.1.3 As provided in Section 6.2 and elsewhere within this Agreement, the Term may end earlier than the end of the Term as specified in this Agreement.

 - 6.2.3 The adoption of a referendum measure overriding or repealing the Enabling Ordinance;
 - 6.2.4 Completion of the Project in accordance with the terms of this Agreement, including issuance of all required occupancy permits and acceptance, as required by state law, by City, or the applicable public agency, of all required dedications and the satisfaction of all of Owner's obligations under this Agreement; and
 - 6.2.5 As may be provided by other specific provisions of this Agreement.
- 6.3 Effect of Termination. Subject to Section 6.4, upon any termination of this Agreement, the only rights or obligations under this Agreement which either Party shall have are:
 - 6.3.1 The completion of obligations which were to have been performed prior to termination, other than those which are separately addressed in this Agreement;
 - 6.3.2 The performance and cure rights set forth in Section 9.3; and
 - 6.3.3 Those obligations that are specifically set forth as surviving this Agreement, such as those described in Sections 8.1 through 8.5 and 11.20.
- 6.4 Release of Obligations With Respect to Individual Lots Upon Certification of Occupancy. Notwithstanding any other provision of this Agreement:

- 6.4.1 When any individual lot has been finally subdivided and sold, leased, or made available for lease to a member of the public or any other ultimate user, and a certificate of occupancy has been obtained for the building(s) on the lot, that lot and its owner shall have no further obligations under and shall be released from this Agreement.
- 6.4.2 Upon the conveyance of any lot, parcel, or other property, whether residential, commercial, or open space, to a homeowners' association, property owners' association, or public or quasi-public entity, that lot, parcel, or property and its owner shall have no further obligations under and shall be released from this Agreement.

No formal action by the City is required to effect this release, but, upon Owner's request, City shall sign an estoppel certificate or other document to evidence the release.

6.5 Term of Map(s) and Other Project Approvals

- 6.5.1 Subdivision Maps. Pursuant to Government Code Section 66452.6, the term of all subdivision or parcel maps that are approved for all or any portion of the Project shall be automatically extended to a date coincident with the Term and, where not prohibited by State law, with any extension of the Term.
- 6.5.2 Other Project Approvals. Pursuant to Government Code section 65863.9, the Project Approvals shall automatically be extended for a term ending concurrently with the applicable subdivision maps for the Project.

7. ANNUAL REVIEW

- 7.1 Timing of Annual Review. Pursuant to Government Code Section 65865.1, at least once during every twelve (12) month period of the Term, City shall review the good faith compliance of Owner with the terms of this Agreement ("Annual Review").
- 7.2 Standards for Annual Review. During the Annual Review, Owner shall be required to demonstrate good faith compliance with the terms of this Agreement. "Good faith compliance" shall be established if Owner is in compliance with the terms and conditions of this Agreement. If the City Council or its designee finds and determines that Owner is not in good faith compliance, then City may proceed in accordance with Section 9.3 pertaining to the potential default of Owner and the opportunities for cure. Owner shall pay the City's reasonable fees and costs incurred in connection with the Annual Review.

- 7.3 Procedures for Annual Review. The Annual Review shall be conducted by the City Council or its designee. Owner shall be given a minimum of sixty (60) days' notice of any date scheduled for an Annual Review.
- 7.4 Certificate of Compliance. At any time during any year that the City Council or its designee finds that Owner is not in default under this Agreement, City shall, upon written request by Owner, provide Owner with a written certificate of good faith compliance within fifteen (15) days of City's receipt of that request.

8. THIRD PARTY LITIGATION.

- 8.1 General Plan Litigation. City has determined that this Agreement is consistent with its General Plan, the Otay Ranch GDP and the SPA Plan. Owner has reviewed the General Plan, the Otay Ranch GDP and the SPA Plan and concurs with City's determination. City shall not have any liability, whether through equitable or legal arguments, under this Agreement or associated approvals or documents (e.g. General Plans, SPA Plan, Maps) associated with this Agreement for Owner's development of Village 2, for any failure of City to perform under this Agreement, or for the inability of Owner to develop the Property as contemplated by the Project Approvals or this Agreement, if such failure or inability is the result of a judicial determination that part or all of the General Plan, Otay Ranch GDP or SPA Plan is invalid, inadequate, or not in compliance with law.
- 8.2 Third Party Litigation Concerning Project or Agreement. Owner shall, at Owner's expense, defend, indemnify, and hold City, its officers, employees and independent contractors engaged in Project planning, approval, or implementation, harmless from any third-party claim, action or proceeding against City, its agents, officers or employees to attack, set aside, void, or annul the Project Approvals, Subsequent Project Approvals or this Agreement. City shall promptly notify Owner of any such claim, action or proceeding, and City shall reasonably cooperate in the defense. City may in its discretion participate in the defense of any such claim, action or proceeding. If the City uses its discretion to participate in the defense of any such claim, action or proceeding, the City shall pay its own attorneys' fees and litigation costs incurred in that defense.
- 8.3 Indemnity. In addition to the provisions of Section 8.2, Owner shall indemnify, defend and hold City, its officers, agents, employees and independent contractors, engaged in Project planning or implementation, free and harmless from any third-party liability or claims based or alleged upon any act or omission of Owner, its officers, agents, employees, subcontractors and independent contractors, for property damage, bodily injury or death (Owner's employees included) or any other element of damage of any kind or nature, relating to or arising from development of the Project, except for claims for damages arising through active negligence or willful misconduct of City, its officers, agents, employees and

independent contractors. Owner shall defend, at Owner's expense, including attorneys' fees, City, its officers, agents, employees and independent contractors in any legal action based upon such alleged acts or omissions of Owner. City may in its discretion participate in the defense of any such legal claim, action, or proceeding. If the City uses its discretion to participate in the defense of any such claim, action or proceeding, the City shall pay its own attorneys' fees and litigation costs incurred in that defense.

8.4 Environmental Contamination. Owner shall indemnify and hold City, its officers, agents, and employees free and harmless from any liability, based or alleged, upon any act or omission of Owner, its officers, agents, employees, subcontractors, predecessors in interest, successors, assigns, and independent contractors, resulting in any violation of any federal, state or local law, ordinance or regulation relating to industrial hygiene or to environmental conditions on, under, or about the Property, including, but not limited to, soil and groundwater conditions, and Owner shall defend, at its expense, including attorneys' fees, City, its officers, agents and employees in any action based or asserted upon any such alleged act or omission. City may in its discretion participate in the defense of any such claim, action, or proceeding. If the City uses its discretion to participate in the defense of any such claim, action or proceeding, the City shall pay its own attorneys' fees and litigation costs incurred in that defense.

8.5 City to Approve Counsel; Conduct of Litigation. With respect to Sections 8.1 through 8.4, City reserves the right either (a) to approve the attorney(s) that Owner selects, hires, or otherwise engages to defend City, which approval shall not be unreasonably withheld or delayed, or (b) in the City's sole discretion, conduct its own defense with the understanding that Owner's attorneys shall be lead counsel and City's attorneys shall, to the maximum extent feasible, cooperate with Owner's attorneys. If City elects to conduct its own defense, Owner shall reimburse City for all reasonable attorneys' fees and litigation costs incurred for such defense. Owner shall have the right to audit all billings for such fees and expenses.

8.6 Survival. The provisions of Sections 8.1 through 8.5 inclusive, shall survive the termination, cancellation, or expiration of this Agreement.

9. DEFAULTS AND REMEDIES

9.1 Default by Owner. Owner shall be in default of this Agreement if it does any or any combination of the following:

9.1.1 Willfully violates any order, ruling or decision of any administrative or judicial body having jurisdiction over the Property or the Project. Owner may contest any such order, ruling or decision by appropriate proceedings conducted in good faith, in which event no default of this

Agreement shall be deemed to have occurred unless and until there is a final, nonappealable judicial decision that Owner willfully violated such obligation.

- 9.1.2 Fails to cure a material breach of this Agreement within the time set forth in a written notice of default from the City.
- 9.2 Default by City. The City shall be in default of this Agreement only if it fails to cure a material breach of this Agreement within the time set forth in a written notice of default from the Owner to the City.
- 9.3 Notice and Termination. A Party alleging a default by any other Party shall serve written notice thereof. Each such notice shall state with specificity all of the following:
 - 9.3.1 The nature of the alleged default, with reference to the specific Sections of the Agreement that are alleged to have been breached and the specific facts supporting those allegations;
 - 9.3.2 The manner in which the alleged default may be satisfactorily cured.
 - 9.3.3 A period of time in which the default may be cured. The notice of default shall allow at least sixty (60) days to cure the default. If the default is of such a nature as not to be susceptible of cure within sixty (60) days using diligent efforts, then the defaulting Party shall only be deemed to have failed to cure the default if it fails diligently to commence such cure within sixty (60) days or if it fails diligently to prosecute such cure to its conclusion.
- 9.4 Default Remedies. A Party who complies with the notice of default and opportunity to cure requirements of Section 9.3 may, at its option, institute legal action to cure, correct, or remedy the alleged default as provided in this Agreement.
- 9.5 Owner's Remedy. The Owner acknowledges that the City would not have entered into this Agreement if it were to be liable in damages under or with respect to all or any part of the development of the Project. Accordingly, Owner shall not sue the other City for damages or monetary relief for any matter related to the development of the Project. Owner's litigation remedies shall be limited to declaratory and injunctive relief, mandate, and specific performance.
- 9.6 City's Remedy. In the event of an uncured default by Owner, the City may pursue any and all available legal or equity remedies for the default.
- 9.7 Waiver; Remedies Cumulative. All waivers of performance must be in a writing signed by the Party granting the waiver. There are no implied waivers. Failure

by City or Owner to insist upon the strict performance of any provision of this Agreement, irrespective of the length of time for which such failure continues, shall not constitute a waiver of the right to demand strict compliance with this Agreement in the future

A written waiver affects only the specific matter waived and defines the performance waived and the duration of the waiver. Unless expressly stated in a written waiver, future performance of the same or any other condition is not waived.

A Party who complies with the notice of default and opportunity to cure requirements of Section 9.3, where applicable, and elects to pursue a legal or equitable remedy available under this Agreement does not waive its right to pursue any other remedy available under this Agreement, unless prohibited by statute, court rules, or judicial precedent

Delays, tolling, and other actions arising under Section 11.16 shall not be considered waivers subject to this Section 9.7

- 9.8 Alternative Dispute Resolution. Any dispute between the Parties may, upon the mutual agreement of the Parties, be submitted to mediation, binding arbitration, or any other mutually agreeable form of alternative dispute resolution. While an alternative dispute process is pending, the statute of limitation shall be tolled for any claim or cause of action which either of the Parties may have against the other.

10. ENCUMBRANCES, ASSIGNMENTS, AND RELEASES.

- 10.1 Discretion to Encumber. This Agreement shall not prevent or limit Owner, in any manner, at Owner's sole discretion, from encumbering some or all of the Property or any improvement on the Property by any mortgage, deed of trust, or other security device to secure financing related to the Property or the Project. Notwithstanding the foregoing, any project or property shall be free and clear of all liens and encumbrances other than those previously approved in writing by the City prior to transfer to the City.
- 10.2 Mortgagee Protection. City acknowledges that the lender(s) providing financing secured by the Property and/or its improvements may require certain Agreement interpretations and modifications. City shall, at any time requested by Owner or the lender, meet with Owner and representatives of such lender(s) to negotiate in good faith any such interpretation or modification. City will not unreasonably withhold or delay its consent to any requested interpretation or modification provided such interpretation or modification is consistent with the intent and purposes of this Agreement. Any Mortgagee of the Property shall be entitled to the following rights and privileges:

- 10.2.1 Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish, or impair the lien of any mortgage or deed of trust on the Property made in good faith and for value.
- 10.2.2 If City timely receives a request from a Mortgagee requesting a copy of any notice of default given to Owner under the terms of this Agreement, City shall provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of default to Owner. The Mortgagee shall have the right, but not the obligation, to cure the default during the remaining cure period allowed Owner under Section 9.3 of this Agreement
- 10.2.3 Except as otherwise provided within this Agreement, any Mortgagee who comes into possession of some or all of the Property pursuant to foreclosure of a mortgage or deed of trust, or deed in lieu of such foreclosure or otherwise, shall:
 - 10.2.3.1 Take that property subject to the terms of this Agreement and as Owner's successor;
 - 10.2.3.2 Have the rights and obligations of an Assignee as set forth in Sections 10.5.1 and 10.5.3;
 - 10.2.3.3 Have the right to rely on the provisions of Section 4 of this Agreement, provided that any development proposed by the Mortgagee is in substantial conformance with the terms of this Agreement; and
 - 10.2.3.4 Not be liable for any defaults, whether material or immaterial, or monetary obligations of Owner arising prior to acquisition of title to the Property by the Mortgagee, except that the Mortgagee may not pursue development pursuant to this Agreement until all delinquent and current fees and other monetary obligations due under this Agreement for the portions of the Property acquired by the Mortgagee have been paid to City.
- 10.3 Estoppel Certificate. Within ten (10) business days following a written request by either of the Parties, the other Party shall execute and deliver to the requesting Party a statement certifying that (i) either this Agreement is unmodified and in full force and effect or there have been specified (date and nature) modifications to the Agreement, but it remains in full force and effect as modified; and (ii) either there are no known current uncured defaults under this Agreement or that the responding Party alleges that specified (date and nature) defaults exist.

The failure to timely deliver this statement shall constitute a conclusive presumption that this Agreement is in full force and effect without modifications, except as may be represented by the requesting Party and that there are no uncured defaults in the performance of the requesting Party, except as may be represented by the requesting Party. The statement shall also provide any other reasonable information requested. Owner shall pay to City all reasonable administrative costs incurred by City in connection with the issuance of estoppel certificates under this Section prior to City's issuance of such certificates.

- 10.4 Transfer or Assignment. Subject to Section 10.5 and 10.6, each individual entity comprising Owner shall have the right to sell, transfer, or assign its rights and obligations under this Agreement (collectively, an "Assignment") in connection with a transfer of Owner's interest in all, any portion of, or any interest in the Property (the "Transferred Property"). No Assignment shall be made unless made together with the sale, transfer, or assignment of all or any portion of Owner's interest in the Property.

At least fifteen (15) business days prior to the effective date of any Assignment, Owner shall notify City in writing of the proposed Assignment and provide City with an Assignment and Assumption Agreement, in a form substantially similar to Exhibit "G", executed by the purchaser, transferee, or assignee (collectively, the "Assignee") to expressly and unconditionally assume all duties and obligations of Owner under this Agreement remaining to be performed at the time of the Assignment.

- 10.5 Effect of Assignment. Subject to Section 10.6 and unless otherwise stated within the Assignment, upon an Assignment:

10.5.1 The Assignee shall be liable for the performance of all obligations of Owner with respect to Transferred Property, but shall have no obligations with respect to the portions of the Property, if any, not transferred (the "Retained Property").

10.5.2 The owner of the Retained Property shall be liable for the performance of all obligations of Owner with respect to Retained Property, but shall have no further obligations with respect to the Transferred Property.

10.5.3 The Assignee's exercise, use, and enjoyment of the Transferred Property shall be subject to the terms of this Agreement and the Assignee shall have all of the rights under this Agreement to the same extent as if the Assignee were the Owner.

- 10.6 City's Consent. An Owner shall not be released from its obligations with respect to the Transferred Property until it has obtained the City's consent to the transfer or assignment of all or a portion of this Agreement, which consent shall not be

unreasonably withheld, conditioned or delayed.

11. MISCELLANEOUS PROVISIONS

- 11.1 Rules of Construction. The singular includes the plural; the masculine gender includes the feminine; “shall” is mandatory; “may” is permissive.
- 11.2 Binding Effect of Agreement. This Agreement shall be recorded against the Property and shall run with the land. Until released or terminated pursuant to the provisions of this Agreement or until Owner has fully performed its obligations arising out of this Agreement, no portion of the Property shall be released from this Agreement. If an Owner acquires other real property within Village 2, that additional real property shall be subject to this Agreement.
- 11.3 Entire Agreement. This Agreement constitutes the entire understanding and agreement of City and Owner with respect to the matters set forth in this Agreement. This Agreement supersedes all negotiations or previous agreements between City and Owner respecting the subject matter of this Agreement.
- 11.4 Recorded Statement Upon Termination. Upon the completion of performance of this Agreement or its cancellation or termination, a statement evidencing completion, cancellation, or termination signed by the appropriate agents of City, shall be recorded in the Official Records of San Diego County, California.
- 11.5 Amendment or Cancellation of Agreement. This Agreement may be amended from time to time or canceled only by the written consent of both City and Owner in the same manner as its adoption, as set forth in California Government Code Section 65868. Any amendment or cancellation shall be in a form suitable for recording in the Official Records of San Diego County, California. An amendment or other modification of this Agreement will continue to relate back to the Effective Date of this Agreement (as opposed to the effective date of the amendment or modification), unless the amendment or modification expressly states otherwise. The Parties recognize that because of fragmented ownership within Village 2, amendments to this Agreement may be appropriate to add or delete property to or from this Agreement to reflect consolidations of property by Owner. The Parties agree to cooperate reasonably to process such amendments if the need arises.
- 11.6 Minor Changes/Operating Memorandum. The provisions of this Agreement require a close degree of cooperation between the Parties. It is anticipated that minor changes to the Project may be required from time to time to accommodate design changes, engineering changes, and other refinements related to the details of the Parties’ performance. Minor changes are those changes to the Project that

are otherwise consistent with the Project Approvals, and which do not result in a change in the type of use, an increase in density or intensity of use, significant new or increased environmental impacts that cannot be mitigated, or violations of any applicable health and safety regulations in effect on the Approval Date. Accordingly, the Parties may mutually consent to adopting minor changes through their signing of an operating memorandum reflecting the minor changes. Neither the minor changes nor any operating memorandum shall require public notice or hearing. The City Attorney and City Manager shall be authorized to determine whether proposed modifications and refinements are minor changes subject to this Section or more significant changes requiring amendment of this Agreement. The City Manager may execute any operating memorandum for minor changes without City Council action. Minor changes would include, without limitation, minor boundary or lot line adjustments necessary to properly reflect the applicability of this Agreement in the chain of title.

- 11.7 Project as a Private Undertaking. It is specifically understood by City and Owner that (i) the Project is a private development; (ii) City has no interest in or responsibilities for or duty to third parties concerning any improvements to the Property unless City accepts the improvements pursuant to the provisions of this Agreement or in connection with subdivision map approvals; and (iii) Owner shall have the full power and exclusive control of the Property, subject to the obligations of Owner set forth in this Agreement.
- 11.8 Incorporation of Recitals. Each of the Recitals set forth at the beginning of this Agreement are part of this Agreement.
- 11.9 Captions. The captions of this Agreement are for convenience and reference only and shall not define, explain, modify, construe, limit, amplify, or aid in the interpretation, construction, or meaning of any of the provisions of this Agreement.
- 11.10 Consent. Where the consent or approval of City or Owner is needed to implement Development under this Agreement, the consent or approval shall not be unreasonably withheld, delayed, or conditioned.
- 11.11 Covenant of Cooperation. City and Owner shall cooperate and deal with each other in good faith and assist each other in the performance of the provisions of this Agreement.
- 11.12 Execution and Recording. The City Clerk shall cause a copy of this Agreement or, at the City's discretion, a notice of the Agreement, to be signed by the appropriate representatives of the City and recorded with the Office of the County Recorder of San Diego County, California, within ten (10) days following the Effective Date. The failure of the City to sign and/or record this Agreement or

notice thereof shall not affect the validity of and binding obligations set forth within this Agreement

- 11.13 Relationship of City and Owner. The contractual relationship between City and Owner arising out of this Agreement is one of independent contractor and not agency. This Agreement does not create any third-party beneficiary rights.
- 11.14 Notices. All notices, demands, and correspondence required or permitted by this Agreement shall be in writing and delivered in person, sent by electronic mail, or mailed by first class or certified mail, postage prepaid, addressed as follows:

City or Owner may change its address by giving notice in writing to each of the other names and addresses listed above. Thereafter, notices, demands, and correspondence shall be addressed and transmitted to the new address. Notice

shall be deemed given upon personal delivery, the date of actual receipt or, if mailed, not later than two (2) business days following deposit in the United States mail.

- 11.15 Waiver of Right to Protest. Execution of this Agreement is made by Owner without protest. Owner knowingly and willingly waives any rights it may have under Government Code section 66020 or any other provision of law to protest the imposition of any fees, dedications, reservations, or other exactions imposed on the Project as authorized by this Agreement, the Project Approvals or the Subsequent Project Approvals.
- 11.16 Delay for Events Beyond the Parties' Control (Force Majeure) Delay of Performance by either Party of its obligations under this Agreement shall not be deemed a breach of the Agreement and the Term shall be extended, for periods equal to the time during which (1) litigation is pending which challenges any matter, including compliance with CEQA or any other local, state, or federal law, related in any way to the approval or implementation of all or any part of the Project Approvals or Subsequent Project Approvals. Any such extension shall be equal to the time between the filing of litigation, on the one hand, and the entry of final judgment or dismissal, on the other. All such extensions shall be cumulative; (2) a delay is caused by reason of any event that cannot reasonably be anticipated or controlled by the City or Owner which prevents or delays performance by City or Owner of obligations under this Agreement. Such events shall include, by way of example and not limitation, acts of nature, riots, strikes, or damage to work in process by reason of fire, mud, rain, floods, earthquake, or other such casualties. Such an event does not include a market or business downturn, recession or other change in the business cycle.

If City or Owner seeks excuse from performance for the period of a delay, it shall provide written notice of such delay to the other within thirty (30) days of the commencement of such delay. If the delay or default, whether material or immaterial, is due to an event that cannot be reasonably anticipated or controlled by City or Owner, it shall be excused, and an extension of time for such cause shall be granted in writing for the period of the enforced delay, or longer as may be mutually agreed upon. In the event of a disagreement between the Parties with respect to whether this Section applies to a particular delay, a Party may file an action for judicial review of the matter, including requests for declaratory and/or injunctive relief. The right to seek judicial review shall not limit any other remedies, whether legal or equitable, to which a Party may be entitled.

11.17 Interpretation and Governing Law. In any dispute regarding this Agreement, the Agreement shall be governed and interpreted in accordance with the laws of the State of California. Venue for any litigation concerning this Agreement shall be in San Diego County, California.

11.18 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

11.19 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns.

11.20 Future Litigation Expenses.

11.20.1 Payment to Prevailing Party. If either Party brings a legal or equitable proceeding against the other Party which arises in any way out of this Agreement, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and all other reasonable costs and expenses incurred in that proceeding.

11.20.2 Scope of Fees. Attorneys' fees under this Section shall include attorneys' fees on any appeal and in any post-judgment proceedings to collect or enforce the judgment. This provision is separate and several and shall survive the termination of this Agreement.
