Executive Summary

APPLICANT INFORMATION

Applicant: **McAlister Institute**

Project | Program: **Work for Hope**

Grant Program: **CDBG**

PROJECT INFORMATION AND ELIGIBILITY

Project | Program Description: The Work for Hope (WFH) program operates as a partnership between McAlister Institute and Chula Vista Police Department's (CVPD) Homeless Outreach Team (HOT). The program design leverages existing resources and fills gaps in self-sufficiency, as it facilitates long-term recovery by offering homeless individuals in Chula Vista a means for gaining paid work experience and an overall sense of dignity and pride. Its collaborative service delivery works as follows: CVPD HOT works with McAlister's Homeless Outreach Workers (HOWs) to identify and engage individuals who are homeless. These individuals are screened by HOT for program participation and referred to McAlister's South Bay Enhanced Services Center (SBESC) and accessed to participate in WFH. SBESC staff provide case management to help participant identify and address critical needs like identification, Medi-Cal enrollment, housing, behavioral health and other community services. McAlister staff transports participants to WFH worksites identified by the City of Chula Vista. Work crew participants are able to safely store their belongings at a secure designated spot in SBESC during their work-training hours. Toiletries and shower facilities are available at the end of each workday, and food and water are provided. The City of Chula Vista provides on-the-job training and McAlister staff provides worker supervision, continued case management, and linkages to behavioral health services and housing. Participants complete beautification projects throughout the City and receives a weekly stipend.
