Good Morning,

Tell SD County and EVERY CITY deal with the homeless trash clogging street drains before the next storm!

WHY DID SAN DIEGO CLOSE 550 BED SHELTER AND SELLING TO RICH DEVELOPERS?
GOLDEN HALL HAS TEMPORARY REOPENED LAST WEEK **MAKE IT PERMANENT SHELTER!**
<https://www.sandiegouniontribune.com/news/homelessness/story/2023-02-28/golden-hall-shelter-to-closes-homeless-people-to-be-relocated>

MY DAILY READ QUOTED AMY REICHERT
THE REAL ISSUE CLOGGED STREET DRAINS

[https://www.americanthinker.com/blog/2024/01/garbage from homeless population clogs storm drains floods san diego county homes.html](https://www.americanthinker.com/blog/2024/01/garbage%20from%20homeless%20population%20clogs%20storm%20drains%20floods%20san%20diego%20county%20homes.html)

 Urgent Reality Check. The undeniable link between our homelessness crisis & floods in San Diego hits hard. Tents, sleeping bags, trash, shopping carts in the canals clogged the drains. The call is crystal clear: MORE shelter beds NOW & strict canal maintenance enforcement.

Chula Vista, CA - December 12: On Tuesday, December 12, 2023, in Chula Vista, CA, clean up crews removed large debris and trash from the encampment off of Oxford Street not far from Harborside Park. Harborside Park remains fenced off to the public while the city decides on the future use of the 5-acre park. The city closed off the park in August 2022 and installed a chain link fence around the park because of reported crime and illegal drug use. (Nelvin C. Cepeda / The San Diego Union-Tribune) (Nelvin C. Cepeda/The San Diego Union-Tribune)

CERTAIN
RESIDENTIAL RENT INCREASES; FEE WAIVERS; CONTRACT
AMENDMENTS
[FUNDING SOURCE: GENERAL PURPOSE REVENUE]
(4 VOTES)

It is good that the Supervisors want to get serious about the emergency response and recovery. It is actually about a week late but just in time for the next storm. But the devil's in the details.

Community outreach meetings to understand emergency needs is good. But scanning MSN.com might give you free ideas, too!

More free advice - Before the next storm, please consider installing some king of mesh or grating over the storm drains and culverts, especially on slopes above houses where it might overflow on them directly.

The trash situation, as well as the infrastructure, has been badly neglected. Do we need more 'no littering' signs? Public trash cans?

You guys want to create a map to be used to determine the exact areas eligible for the fee waivers. based on the data collected during the emergency response effort for the 2024 catastrophic storm event.

Should be anyone provably affected, not just people in certain areas. Problems involving underground pipes, shifting soils, or decaying bluffs may not be something you can always pinpoint on a map.

Why waive fees for building permits only in the unincorporated areas? If County issues building permits anywhere in the County, the fees should be waived.

You want the CAO to report back within 60 days. Nice, although the next major storm is expected in 2 days, but I am confident that our CAO has some good suggestions **now**. And why limit it to the four phases of emergency management?

Not sure how the use of ARPA funds is is COVID-related.

You want re-imbursement for ARPA funds they gave you-bit of a laugh.

END
