

RESOLUTION NO. \_\_\_\_\_

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
CHULA VISTA ADOPTING A LIST OF PROJECTS FOR  
FISCAL YEAR 2024-25 FUNDED BY SB 1: THE ROAD REPAIR  
AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (“SB 1”), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the California Legislature and signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of City of Chula Vista (the “City”) are aware of the projects proposed for funding in our community and which projects have been completed each Fiscal Year; and

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (“RMRA”), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project’s completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive an estimated \$6,665,462 in RMRA funding in fiscal year 2024-25 from SB1; and

WHEREAS, this is the eighth year in which the City is receiving SB 1 funding, and such funding will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure public input into our community’s transportation priorities/the project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the community’s priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate 54 streets/roads (Exhibit 1), add active transportation infrastructure throughout the City this year, and fund numerous similar projects into the future; and

WHEREAS, the 2023 California Statewide Local Streets and Roads Needs Assessment found that the City’s streets and roads are in “good” condition and this revenue will help us increase the overall quality of our road system and keep our streets and roads in “good” condition over the next decade; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, as follows:

1. The foregoing recitals are true and correct.
2. The City of Chula Vista adopts the list of proposed projects attached as Exhibit 1 and incorporated fully herein to be funded in-part or solely with fiscal year 2024-25 SB 1: Road Maintenance and Rehabilitation Account revenues.
