

Measure A Citizens' Oversight Committee

Highlights of Activities During Fiscal Year 2023-2024

- Chair Stucky was reappointed for Committee Chair and Vice Chair Volland was reappointed for Vice Chair.
- Committee approved re-classification of two Police Agent positions to two Police Sergeants.
- Committee approved Fire Department's request to use ongoing Measure A funds to hire permanent firefighters to deploy a 24-hour squad at Fire Station 1.
- Committee approved an amendment to the Public Safety Expenditure Plan to include Drone costs and a Police Officer Recruiting Campaign.
- Committee approved the purchase updated Fire technology, vehicles and equipment, and grant matching with the Regional Fire Foundation.
- Independent Auditors' Report by LSL, LLP for fiscal year ending June 30, 2023 shows the City is in compliance with applicable Measure A requirements.
- City Attorney Neighborhood Protection Unit presented highlights and updates. Seven permanent GVROs were issued. Workplace Violence Prevention Orders, a restraining order from people internally and the public, was presented at the City Manager's meeting. Received a grant to address tobacco offenses. Goal for 2024 is to establish a new way to address chronic 911 callers/abusers.
- Committee approved the use of funds to acquire property to develop a Fire Department Training Facility.
- Committee Member Bruzee's term ends June 2024.
- Assistant Chief Peak will be taking over as the Liaison for the Police Department.

Board/Commission Comments or Recommendations to Council

Recommend to City Council the incorporation of the proposed FY 2024/2025 Measure A Spending Plan into the City's FY 2024/2025 budget.
