WHEREAS, Community Facilities Districts (CFDs) 06-I and 07-M were previously established within the City of Chula Vista (“City”) in accordance with the “The Mello-Roos Community Facilities Act of 1982” (“The Act”); and

WHEREAS, it is necessary that the City Council (the “City Council”) of the City of Chula Vista (the “City”) levy special taxes pursuant to Section 53340 of the California Government Code (“Section 53340”) for the community facilities districts within the City listed on Exhibit A attached hereto (each a “Community Facilities District” and collectively, the “Community Facilities Districts”); and

WHEREAS, pursuant to Section 53340(b), the City Council may by resolution provide for the levy of special taxes in the current and future tax years on parcels of taxable property within each of the Community Facilities Districts at the same rate or at a lower rate provided by the applicable ordinance levying special taxes within each Community Facilities District if such resolution is adopted and a certified list of all parcels subject to the special taxes being levied is filed with the San Diego County Auditor and Controller (the “County Auditor”) on or before the 10th day of August of each tax year, or later with prior consent of the County Auditor; and

WHEREAS, Section 53340 permits the City Council to authorize a City official to file the certified list with the County Auditor, and the City Council desires to authorize the City’s Director of Finance to do so for the 2024-25 tax year, and all subsequent tax years; and

WHEREAS, the rates of the special taxes that will be levied on taxable parcels within each Community Facilities District will not exceed the rates of the special taxes that are authorized to be levied within each District by the applicable ordinance for each respective Community Facilities District.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Chula Vista, acting as the legislative body of Community Facilities Districts 06-I and 07-M, that:

SECTION 1. The above recitals are all true and correct.
