Leading News had called for not publishing the famous photo by Pulitzer AP Photo Journalist; THE PHOTOGRAPH A MOMENT IN HISTORY of attempted assassination of former president, **many news organizations have complied by not publishing history AP Pulitzer Journalist photo!**

NY Post Exposed The News That Called Out To Censor History Photo

<https://nypost.com/2024/07/17/media/photo-editor-fears-bleeding-trump-pictures-will-be-used-as-propaganda/>

NY POST Immediately Published History Photo

SAME DAY NEWS <https://nypost.com/cover/july-14-2024/>

WHICH NEWS CALLED OUT TO CENSOR PHOTO? NY TIMES? WASHINGTON POST? WHO?

"Axios cited a photo editor and photographer **"from a major news outlet"** who suggested the media refrain from using the photo "despite how good it is" to avoid casting the former president in a positive light. "The amount that publications have been using Evan's photo is kind of free PR for Trump in a way, and it's dangerous for media organizations to keep sharing that photo despite how good it is," the editor told the outlet. **The photo has been praised as both iconic and instantly historic**, and it will be on the next print cover of Time magazine. Some observers have said it could change some people's perceptions forever of Trump, one of the most controversial, beloved and loathed political figures in American history. **Vucci, a Pulitzer winner who has covered thousands of similar events for the AP since 2003, told Fox News Digital that he understood he was experiencing a historic moment in time as shots rang out in the direction of the former president.**"
