When are you going to talk to Richelle Farley, your "tenant" and Licensee in Rohr Park and she's the President of Sunnyside Saddle Club who continues to lock a public Facility (equestrian arena) as this violates your own municipal code 2.66.010 as well as CA State Resource codes 5400-5409? (Parks are for the Public) Also, please inform her that removing the peoples' public notices on public message boards located in the Public Park is a violation of the 1st Amendment.

The equestrian arena located in Rohr Park is an integral facility to the local horse community. Allowing Privatization and requiring a membership to use the facility goes against Chula Vista's own municipal codes.

REMOVE the PUBLIC NUISANCE and give back this facility to the public.

Sunnyside Saddle Club (SSC) has only used this arena 2 times the entire year- while the community is locked out. Idyll parks/facilities is not the intent or purpose of Parks
