

Chula Vista *City Clerk*

*May 1<sup>st</sup>, 2024*

***This is my second request for this information!***

Will you Will kindly forward this **information request** to Chula Vista Mayor, Chula City council members, city manager, Those working /participating or earning money from or employed in the shelter program.

Due to the lack of transparency, and clearly lack of Chula Vista Unsheltered improvement.

I would like an itemized report regarding the unsheltered program (s) in Chula Vista

That would include the following information.

1. What is the amount of money allocated for this program? What is the budget for each program if there is more than one?
2. How much money has it been used total for this year 2024.
3. What is the average pay for those managing the program?
4. How many people are employed in total.
5. How many people are employed for each program.
6. What is the average pay for those working with the clients?
7. Who is overall in charge of the unsheltered program(s)?
8. What is the total amount already spent for each program if more than one?
9. How many employees does each program have.
10. What are the requirements/qualifications for those doing outreach?
11. What is the average pay for those working in the shelter facilities and what are their experience previous working for Chula Vista unsheltered
12. How many (total number) tiny homes are in Chula Vista
13. How many are they in use.
14. What is the reason that not all tiny homes have been used after all this time? and excuses.
15. How many unsheltered individuals have used them.
16. What is the average stay for how long?
17. What happened to them after they left?
18. How many repeated unsheltered clients (more than one time)

19. How many males? How many Females? How many males with children?
20. How many Females with Children? How many with both parents and children
21. How many unsheltered were able to stay with their pets? How many seniors?
22. Having a kennel is not acceptable. (you all know how I feel about Kennels and corrupt politicians)
23. How many disable physical restricted movement stayed at the shelter for how long? What happened to them after they left?
24. How many disables of other noticeable disability)
25. How many unsheltered came from other cities.
26. Imperial beach,
27. National City,
28. San Isidro,
29. San Diego

Thank you in advance is always satisfying when one is aware of how tax dollars are being spent.

Very Respectfully
