

Thank You Police Office J. Harrison

An Eastlake Family would like to thank.

Police Office J. Harrison

On February 13th, 2025, around 330 p.m. you responded to a call from a family in Eastlake concerning a missing Elderly Suffering from Dementia who had walked out of her home.

Your quick respond include other Police Officers and Police Explorers

who immediately spread out throughout Eastlake community (District One)

It was amazing to see how district One residents including Eastlake Hight School Students came out even while it was raining and cold to look for the Elderly Lady

it took approximately 4 hours of worries and concerns. after your team located the Lady, it was a very joyful reunion.

The Family will be forever Grateful.

Thank You Officer J Harrison

and all who assisted. in Eastlake community District One
