## Inzunza Accepts Mater Dei Position

STAFF WRITERS

All good things must come to an end. After twelve years at Saint Augustine High School, Mr. Inzunza is leaving for Mater Dei in Chula Vista to become the Assistant Principal of Student Safety and Discipline.

It is a bittersweet moment for all of us because Mr. Inzunza has been involved with the Saints community in so many different roles as a student, a teacher, and ASB Moderator.

As a Saintman of the class of 1991, he served as ASB class president, lettered five times, was a part of the Saints band, and even started a skate club. He and The Rivals were part of a rock band that was hired by Saints, OLP, and other schools around San Diego. He was a socially and globally aware student, writing an article for The Augustinian that protested the first Iraq War (Desert Storm) and called for a walkout. While no one else participated, Father John Sanders joined him, and the two shared their thoughts on world affairs.

Mr. Cudal has known Mr. Inzunza since he was a freshman, both as his teacher and as his freshman football coach. Mr. Cudal remembers Mr. Inzunza as being well liked by teachers and students, and fondly told stories about putting the 110lb Michael

# CATHOLIC SCHOOL THAT SUSPENDED STUDENT

## OVER BRAIDS REVERSES DECISION

- **January 15, 2020**
- **Catholic school, Mater Dei High School, suspended a mixed-race student for violating the “dress code” on Wednesday but removed the penalty after online backlash.**
- **Michael Inzunza**, assistant principal for student safety and discipline, reminded the sophomore of the rule that boys’ hair cannot be longer than mid-ear on the sides, touch their shirt collars, nor fall past their eyebrows in the front and ordered him to cut it. When the student refused, he was suspended.

I stayed professional after hearing about an incident at Mater Dei in Chula Vista! I called the school to speak with Mr. Michael Inzunza who was unjustified in being rude to me.

So, in fashion with how I always attempt to have meetings with the accused and settle issues before I go public.

Here we go:

Yesterday, a young man who has a 4.0GPA was suspended from school for his hairstyle, questioning why he was being forced to cut it and refusing to do so. Allegedly, Mr. Inzunza even called the young man a PUNK to his mom. He also refused to allow the young man to go to the office, telling the office personnel not to talk to him. Very professional.

Let's go further, the young man and others have been out of compliance since they were recruited to the school well over a year ago. He started the school out of compliance, played football out of compliance and took pictures accepting awards out of compliance. It "was not" until the young black kid on scholarship wore his hair in braids when he was told to cut

I attended the First Friday breakfast held at the San Diego Country Club Friday April 14th and saw former Deputy Mayor Alonso Gonzales and learned he is on the board of the Chamber of Commerce, he was introduced that way and I have it on recorded video. A former Deputy Mayor had input on the 2024-2025 budget, just to leave mid fiscal year to be on the BOARD of Chula Vista's lobbying committee. Smells like possible embezzlement or money laundering may have occurred and as a Chula Vista resident I am concerned with the lack of transparency.

Michael Inzunza, I believe that.
