SECTION I ADMINISTRATION

ARTICLE 1.01 PREAMBLE

This Memorandum of Understanding (MOU) is entered into by the City of Chula Vista (City) and the Service Employee's International Union Local 221 \ the Chula Vista Employees Association (SEIU\CVEA) as a result of meeting and conferring in good faith concerning the wages, hours and other terms and conditions of employment, pursuant to the Employer-Employee Relations Policy of the City of Chula Vista and the California Government Code Section 3500 et. seq., known as the Meyers-Milias-Brown Act.

ARTICLE 1.02 RECOGNITION

The City recognizes SEIU\CVEA as the exclusive representative for employees in Classifications listed in Appendix A.

ARTICLE 1.03 CITY RIGHTS

The SEIU\CVEA agrees that the City has the right to unilaterally make decisions on all subjects that are outside the scope of bargaining.

The exclusive rights of the City shall include, but not be limited to:

- A. Establish, plan for, and direct the work force toward the organizational goals of the City government.
- B. Determine the organization, and the merits, necessity, and level of activity or service provided to the public.
- C. Determine the City budget.
- D. Establish, regulate, and administer a merit or civil service system which provides for all types of personnel transactions, including, but not limited to, determining the procedures and standards for the hiring, promotion, transfer, assignment, layoff, retention, and classification of positions in accordance with the City Charter, Civil Service Rules, and established personnel practices.
- E. Discipline or discharge employees for proper cause.
- F. Determine the methods, means, numbers, and kinds of personnel, and the job or position content required to accomplish the objectives and goals of the City.

-
- G. Subcontract out various services currently performed by City work force when such actions will result in cost savings to the City.
 - H. Implement a reduction in authorized positions.
 - I. Take actions necessary to carry out the mission of the City in emergencies and in other situations of unusual or temporary circumstances.
 - J. Continue to exercise efficient and productive management practices consistent with federal and state laws and in compliance with the City Charter and City ordinances.

Terms and conditions set forth in this MOU represent the full and complete understanding between the parties. During the term of this MOU, the SEIU\CVEA expressly waives the right to meet and confer with respect to any subject covered in this MOU, unless modified through the voluntary, mutual consent of the parties in a written amendment. This MOU terminates and supersedes those partial practices, agreements, procedures, traditions, and rules or regulations inconsistent with any matters covered in the MOU. The parties agree that during the negotiations that culminated in this MOU, each party enjoyed the opportunity to make demands and proposals or counter-proposals with respect to any matter, even though some matters were proposed and later withdrawn, and that the understandings and agreements arrived at after the exercise of that right and opportunity are executed in this MOU.

The City's exercise of its management rights is not subject to challenge through the grievance procedure or in any other forum, except where otherwise in conflict with a specific term of this MOU.

ARTICLE 1.04 CVEA RIGHTS

- I. Authorized representatives\stewards of the SEIU\CVEA shall be allowed reasonable access to unit employees during working hours for the purpose of consulting regarding the employer-employee relationship, provided that the work operation and service to the public are not impaired and the authorized representatives shall have given advance notice to, and been granted authorization by, the Appointing Authority or his or her designee when contacting unit employees during the duty period of the employees. The Appointing Authority or his or her designee shall determine the appropriate time for such access.
 - A. SEIU\CVEA may designate up to eight (8) representatives\stewards (in addition to the President and Vice-President) who will be allowed reasonable access to unit employees.

-
- II. The SEIU\CVEA may be granted use of City facilities by the appropriate Appointing Authority for meetings composed of unit employees, provided such meetings are held outside regularly scheduled working hours for the group which is meeting, and provided space can be made available without interfering with the City needs.
 - III. The City will provide bulletin boards in each building housing SEIU\CVEA represented employees for the exclusive use of SEIU\CVEA. The SEIU\CVEA shall be responsible to maintain space provided in an orderly condition and shall promptly remove outdated materials. Copies of such communications shall be furnished to the Director of Human Resources for review.
 - IV. The City shall bill SEIU\CVEA \$0.10 per member per pay period for the full costs incurred for dues deduction on behalf of SEIU\CVEA.
 - V. SEIU\CVEA shall be provided, upon request, such literature and public documents as may be necessary (i.e., City budget, Civil Service Commission meetings, open Council conferences, etc) when the requested documents are not available on the City's intranet in a manner consistent with the California Public Records Act.

ARTICLE 1.05 LABOR-MANAGEMENT COOPERATION

The parties agree that during the term of this MOU, they will continue to participate in efforts to contain health care costs. The City and SEIU\CVEA agree that they will continue to have open discussions on matters of concern to the parties during the term of this MOU.

Contracting out of City services currently performed by SEIU\CVEA is an important issue to both SEIU\CVEA and the City. As a result, the City and SEIU\CVEA agree to form a committee ("Contracting Practices Committee") to discuss, evaluate, and make recommendations in good faith regarding the City contracting out services. The Contracting Practices Committee shall be composed of an equal number of representatives from the City and SEIU\CVEA, with each party selecting their own respective members. The City and SEIU\CVEA may mutually agree to make the aforementioned Contracting Practices Committee a standing committee. In the alternative, the City and SEIU\CVEA may mutually agree to form a separate committee with such duties and roles as may be agreed upon.

Cooperative Labor Relations between SEIU/CVEA and the City are an important issue. As a result, the City and SEIU/CVEA may mutually agree to form Labor-Management committees composed of representatives from SEIU/CVEA and representatives from management within Departments/Divisions as requested by the Union and/or Management. Once a labor-Management Committee has been mutually agreed upon both parties shall mutually agree upon the first Labor-Management Committee meeting time and location within 30 days.

ARTICLE 1.06 TERM AND EFFECT OF THIS MEMORANDUM OF
 UNDERSTANDING

- I. This MOU shall remain in full force and effect from November 10, 2015 through June 30, 2017 (the date closest to July 1 that is the end of a pay period) and it is understood and agreed that the terms, conditions, wages, and all provisions of this MOU shall continue in effect until a new MOU is negotiated and subsequently ratified by the SEIU\CVEA and adopted by the City Council.

If either party proposes to modify or terminate any of the terms or conditions set forth in this MOU for inclusion in a subsequent MOU, they must notify the other party in writing not later than February 28, 2017. SEIU\CVEA will endeavor to submit written proposals to the City by February 28, 2017. City agrees that if written proposals are received from SEIU\CVEA by February 28, 2017, City will be prepared to commence negotiations on those proposals by March 15, 2017.

- II. The provisions of this MOU shall be subject to federal, state, and local law.
- III. If at any time during the term of this MOU, through causes beyond the control of the City, the City does not have a sufficient amount of anticipated budgeted revenues or is required to make substantial unanticipated expenditures, then, in such event, the City may, with mutual agreement of the SEIU\CVEA, re-negotiate this MOU and meet and confer on wages, hours and other terms and conditions of employment. This section, however, in no way affects the existing right of the City to lay-off employees.

ARTICLE 1.07 MOU REVISIONS

The City and SEIU\CVEA agree that during the term of the MOU they will continue to meet and confer on changes to the format and language of the MOU if necessary. The purpose of the proposed changes is to reconcile the MOU with the Civil Service Rules, the Employer/Employee Relations Policy, and other City policies and procedures, and to insure the language of the MOU accurately reflects City practice.

The City agrees to work with SEIU\CVEA to begin the review process and discuss a timeline to meet with all bargaining units to update the Employer/Employee Relations Policy.

ARTICLE 1.09 RETENTION OF BENEFITS

The represented employees covered by this MOU shall retain all benefits provided in this MOU for the full term of this MOU and for any such additional period of time as provided in article 1.06.

Benefits, rights, or privileges not specifically covered by this MOU, but subject to the MMBA, can only be changed after completion of applicable meet and confer requirements, unless otherwise agreed upon by the City and CVEA\SEIU.

ARTICLE 1.10 SAVINGS CLAUSE

If any article or section of this MOU is held to be invalid by operation of law or by any court of competent jurisdiction, or if compliance with, or enforcement of, any article or section is restrained by such court, the remainder of this MOU shall not be affected by such action. The parties shall meet and confer or meet and consult as the case may be for the purpose of arriving at a mutually satisfactory replacement for any article or section invalidated by operation of law.

Definition - Whenever an employee is ordered to work more than 40 hours in a work week he or she shall be granted overtime pay at the rate of 1 ½ times his or her Fair Labor Standards Act (FLSA) "Regular Rate", compensatory time off at 1 ½ times the extra hours worked, or upon employee request and with the approval of his or her supervisor and Appointing Authority, the employee may take off the number of overtime hours worked on a straight-time basis within the same work week. ARTICLE 2.04 CALLBACK PAY

If the employee cannot complete the task from home and is required to return to work Callback provisions of the MOU apply. The \$25 stipend will be paid in addition to any compensation earned pursuant to the Callback provisions.

SEIU\CVEA and the City will meet and confer to create guidelines for implementation of this stipend article. Until guidelines are agreed upon and implemented, requests for stipend payment will be considered on a case-by-case basis.

Whenever employees are called back to work after they have left their work site and are required to return to work before the scheduled start of the next shift, they will receive \$60 in addition to a minimum of two (2) hours of overtime pay.

Any combination of hours worked on the callback and hours of leave requested that exceed eight (8) will be paid at the overtime rate. The callback bonus and two (2) hour overtime minimum will only apply when the employee has not been notified of the date and time of the callback prior to leaving the work site. Any temporary changes to an employee's regular work schedule shall not be used to avoid callback.

ARTICLE 2.05 SAFETY MANDATED REST PERIODS

Section 2.05.01 PSO Rest and Recovery

It is the purpose and intent to provide guidelines to employees and their supervisors to ensure Police Service Officers receive an adequate rest period between work shifts in order to perform their work duties in a safe and efficient manner. This intent is a "work in progress" and may be modified at any time upon mutual consent of the City and the Union.

It is the intent of the City and the Union to allow for a minimum of seven (7) total hours for rest and recovery during any given 24-hour period.

After a PSO has worked sixteen (16) paid hours in any given 24-hour period, the employee has the option to take a minimum of seven (7) consecutive hours off for rest and recovery prior to returning for work or call back. This intent is a “work in progress” and may be modified at any time upon mutual consent of the City and SEIU\CVEA.

It is the intent of the City and SEIU\CVEA to allow for a minimum of seven (7) total hours for rest and recovery during any given 24-hour period.

If a Forensic Specialist has worked their normal shift (8 or 9) paid hours in any given 24-hour period and is called back to work before the start of their normal shift and no break is given, the Forensic Specialist has the option to take a minimum of seven (7) consecutive hours off for rest. The City will pay, hour-for-hour up to a maximum of four (4) hours, for rest period during the employees normal work shift.

If, as a result, the employee would work less than a full shift upon returning to complete their normal work shift, the employee shall have the right to submit a leave request for the remainder of the work shift and will not be required to return to work for that shift.

For all other conditions, such as multiple callbacks or when an employee has worked more than twenty-four (24) hours during the forty-eight (48) hours during the weekend, the above provisions shall also apply.

Section 2.05.03 General Rest and Recovery

It is the purpose and intent of this rule to provide guidelines to employees and their supervisors to assure that employees who are involved and work in and around construction sites, traffic, and/or heavy equipment and machinery receive an adequate rest period between work shifts in order to perform their work duties in a safe and efficient manner. This rule may be modified at any time upon mutual consent of the City and SEIU\CVEA.

After an employee has worked sixteen (16) paid hours in any given 24-hour period, the employee shall be required to take a minimum seven (7) consecutive hours off for rest and recovery prior to returning for work or call back. If any portion of the required rest period extends into the employee’s normal work shift, then the City will pay, hour-for-hour up to a maximum of four (4) hours, that portion of the rest period extending into the employee’s normal work shift. If, as a result, the employee would work less than a full shift upon returning to complete their normal work shift, the employee shall have the right to submit a leave request for the remainder of the work shift and will not be required to return to work for that shift.

For all other conditions, such as multiple callbacks, the employee shall be required to have a minimum of seven (7) total hours for rest and recovery during any given 24-hour period. If any portion of the required rest and recovery period extends into the employee's normal work shift, then the above provisions shall also apply.

Section 2.05.04 Police Dispatcher Rest and Recovery

It is the purpose and intent to provide guidelines to employees and their supervisors to ensure Police Dispatchers receive an adequate rest period between work shifts in order to perform their work duties in a safe and efficient manner. This intent is a "work in progress" and may be modified at any time upon mutual consent of the City and SEIU\CVEA.

It is the intent of the City and SEIU\CVEA to allow for a minimum of seven (7) consecutive hours for rest and recovery during any 24-hour period.

After a Police Dispatcher has worked sixteen (16) paid hours in any given 24-hour period, the Appointing Authority may require the employee to take a minimum of seven (7) consecutive hours off for rest and recovery prior to returning for work or call back. If any portion of the required rest period extends into the employee's normal work shift, then the City will pay, hour-for-hour, up to a maximum of four (4) hours, that portion of the rest period extending into the employee's normal work shift.

An employee will earn out-of-class (OCA) pay, a minimum of 7.5% above the employee's current salary rate up to a maximum of 15%, when designated, by a supervisor, as working out of class and has worked a full day's shift (be it 8, 9, or 10 hours, consecutively, depending on their works schedule) or more in that OCA

designation. Upon working the full day's shift in the OCA designation, the employee shall be compensated OCA pay beginning the first hour they began work.

For employees in the police dispatcher classification only, they will earn OCA pay when they have been designated, by a supervisor, as working out-of-class and they have worked 8 hours or more in that designated OCA position during a given 14-day, biweekly, pay period.

- II. If the out-of class assignment lasts in excess of 6 consecutive months, the employee will receive an additional 5% compensation. Increases greater than 5% must be approved by the Director of Human Resources. Requests for out-of-class compensation shall be submitted by the Appointing Authority on a "Payroll Change Order Request" form as percentage amounts only.
- III. The duration of out-of-class assignments shall not exceed twelve months.

Employees must be recognized by the Appointing Authority as having the requisite qualifications for required certifications and/or licenses to provide training to employees.

ARTICLE 2.10 BILINGUAL PAY

Those employees who, upon the recommendation of the Appointing Authority and approval of the Director of Human Resources, are regularly required to use their bilingual skills in the performance of their duties will receive \$100 per month in addition to their regular pay. - II. Vacation
 - A. Vacation Accrual - Continuous service: Each employee paid at a biweekly rate who has had continuous full-time active service shall be entitled to vacation with pay. This benefit will be calculated based on 26 pay periods per fiscal year. The following provisions shall apply:
 - 1. Employees will accrue 80-hours during the first through fourth years of service (cumulative to a total leave balance of 180-hours). This benefit will be accumulated at the rate of 3.08 working hours for each full biweekly pay period of service performed.

-
2. Employees will accrue and be eligible to receive 120-hours (cumulative to a total leave balance of 260-hours) during the fifth through ninth year of service. The benefits will be accumulated at the rate of 4.62 working hours for each full biweekly pay period of service performed.
 3. Employees will accrue and be eligible to receive 160-hours (cumulative to a total leave balance of 340-hours) during the tenth through fourteenth years of service. This benefit will be accumulated at the rate of 6.15 working hours for each full biweekly pay period of service performed.
 4. Employees will accrue and be eligible to receive 200-hours (cumulative to a total leave balance of 420-hours) during the fifteenth and succeeding years of service. This benefit will be accumulated at the rate of 7.69 working hours for each full biweekly pay period of service performed.
 5. Rounding may extend further decimal places as payroll systems are upgraded.
 6. Vacation accrual rate changes will become effective at the beginning of the pay period closest to the actual date which includes the employee anniversary date of benefited status.
 7. Vacation sell back – All members of represented classifications who have completed at least five (5) years of service shall have the option of selling up to 60-hours of said vacation back to the City one time per fiscal year. The accumulated vacation balance will be reduced accordingly.
- B. Each part time employee paid at a biweekly rate shall be entitled to vacation with pay. The number of working days of such vacation shall be computed on the basis set forth in subsection (1), (2), (3), or (4) and shall be in the proportion that such part-time employment bears to full-time employment.
- C. Employees separated from City service, whether voluntarily or involuntarily, shall be granted all of the unused vacation to which they are entitled based upon continuous service computed on the basis set forth in subsection (1), (2), (3), or (4). Payment shall be made hour-for-hour with any portion of an hour being considered a full hour.
- D. Vacation Use - Vacation leave balances shall be reduced for actual time not worked to the nearest quarter hour. Absences may not be charged to vacation not already accumulated.

ARTICLE 3.03 SICK LEAVE

- A. Accumulated paid sick leave credit is to be used for the sole purpose of protecting the employee's wages in the event absence is made necessary because of disability due to the injury or illness of the employee or members of their immediate family. For purposes of this article, immediate family is defined as spouse, domestic partner, child, stepchild, parent, stepparent, sibling, parent-in-law, grandparent, or any other person living as a member of the employee's immediate household.

- B. Sick Leave Accrual - Computation of sick leave: Sick leave with pay is cumulative at the rate of 3.69 working hours for each biweekly pay period of active service, 96-hours annually, beginning at the time of full-time probationary employment. This benefit is calculated on 26 pay periods per fiscal year. Permanent part-time employees shall receive sick leave pay in the proportion that such part-time employment bears to full-time employment. A person who has held a position with temporary or interim status and is appointed to a position with probationary status, without a break in service, may have such time credited to sick leave upon the recommendation of the Appointing Authority and the Human Resources Director and with the approval of the City Manager.

- C. Maximum Sick Leave Accumulation - Unused sick leave may be accumulated in an unlimited amount.

- D. Sick Leave Use - Sick leave balances shall be reduced for actual time not worked to the nearest quarter hour for reasons allowable under this section. Absence for illness may not be charged to sick leave not already accumulated.

In order for sick leave to be approved, the employee must call his or her immediate supervisor or sick leave call in line within one-hour of the time to begin work. If the immediate supervisor is unavailable, the employee must leave word with a designated individual that he or she is too sick to come to work or has a contagious condition that would make his or her presence at the worksite dangerous for other employees. In cases where it is impossible to call (e.g., in hospital, unconscious, or other legitimate reasons) the supervisor shall withhold approval of sick leave until the employee can explain why he/she did not call within the one-hour. The immediate supervisor will then make a determination as to the allowability of sick leave use.

- E. Sick Leave Verification - The City may, in its discretion, require a doctor's certificate and/or a personal sworn affidavit stating that the employee is unable to perform the essential functions of his or her job in order to determine eligibility for sick leave. If an employee is to be required to furnish a doctor's certificate, the employee shall be notified by his or her supervisor that a doctor's certificate shall be required when the

employee notifies the City that he or she will be absent by reason of illness or disability.

Sick leave verification may be requested at any time it appears there is a pattern or practice of sick leave use that could be related to abuse, regardless of whether or not the individual has a sick leave balance on the books. Exhaustion of sick leave balances does not automatically trigger the verification requirement. When verification is required, the employee must show immediate improvement. Sick leave will then be monitored for a period of six-months. If at any time during that period there is any abuse of sick leave, the employee will be subject to disciplinary action up to and including termination.

F. Sick Leave Reimbursement

1. Employees using thirty-two hours (32) of sick leave, or less, during the fiscal year, shall have the option of converting twenty-five percent (25%) of their remaining yearly sick leave to pay.
2. Pay shall be computed based on the following schedule and all computations shall be rounded to the nearest whole hour:

REMAINING YEARLY SICK LEAVE	PAY OPTION (25%)
96 hrs	24 hrs
88 hrs	22 hrs
80 hrs	20 hrs
72 hrs	18 hrs
64 hrs	16 hrs
56 hrs or less	0

3. If the pay option is selected, the paid sick leave hours shall be subtracted from the employee's accumulated yearly sick leave balance. The remaining sick leave hours shall be carried over and accumulated. (Example: Employee uses 32 hours of sick leave. He or she then elects to receive pay for 25% of the remaining hours as payment, or 16 hours. The 16 hours are subtracted from his or her remaining yearly sick leave and the other 48 hours are added to the employee's accumulated sick leave balance.)
4. Payment will be made during the month of July of each year. Pay will be computed based on the employee's salary step on June 15.
5. Payment will be made only to employees on the payroll twelve (12) consecutive months prior to the payoff calculation. Permanent employees who retire during

the fiscal year will be compensated under this plan based upon their formal retirement date. Prorated payments will not be made to an employee who terminates during the fiscal year. However, in the event of the death of an individual while employed by the City, 100% of the employee's unused, accumulated sick leave will be paid to the appropriate beneficiary as prescribed by law.

G. Donated Sick Leave

1. Employees may choose to donate any accrued, but unused, sick leave to another City employee who has exhausted his or her accrued leave due to a disability caused by prolonged illness or injury of the employee or a member of his/her immediate family, subject to and in the manner set forth in Human Resources Policy and Procedures, Policy 614, except as modified herein. Sick leave donations will be made in hourly increments. In order for employees to donate accrued unused sick leave as stated herein, the donating employee must have a minimum 80 hours of banked unused sick leave for themselves. The donated sick leave may not cause the donating employee to fall below the minimum hours required to be banked as stated herein and the donating employee may not donate more than a total of 24 hours of unused sick leave in any fiscal year.

ARTICLE 3.04 BEREAVEMENT LEAVE

When an employee with permanent status is compelled to be absent from work because of the death of an immediate family member as defined by the IRS, or any other person living in the same household as the employee or an immediate family member of the employee's spouse; and after such employee makes written request and receives written approval from their Appointing Authority, such employee may be allowed to use their accumulated sick leave, vacation, compensatory time or floating holiday time for up to five (5) working days, plus three (3) travel days.

- II. Should any unit employees during the term of this Memorandum of Understanding breach the obligations of Paragraph I, the City Manager or his or her designee shall immediately notify SEIU\CVEA that an alleged prohibited action is in progress.
- III. SEIU\CVEA shall as soon as possible, and in any event, within eight working hours disavow any strike or other alleged prohibited action, shall advise its members orally and in writing to immediately return to work and/or cease the prohibited activity and provide the City Manager with a copy of its advisement or, alternatively, accept the responsibility for the strike or other prohibited activity.
- IV. If SEIU\CVEA disavows the prohibited activity and takes all positive actions set forth in this MOU in good faith, the City shall not hold CVEA financially or otherwise responsible. The City may impose such penalties or sanctions as the City may appropriately assess against the participants.
- V. Should SEIU\CVEA during the term of this Memorandum of Understanding breach its obligations or any of them under this section, it is agreed that the City shall pursue all legal and administrative remedies available to the City that in its discretion it may elect to pursue.
- VI. There shall be no lockout by the City during the term of this Memorandum of Understanding and after expiration of the MOU, as long as the parties are attempting to reach an agreement on a successor MOU (including utilization of impasse procedures).

ARTICLE 4.02 CAREER ADVANCEMENT

I. For CVEA/SEIU represented employees hired on or before June 30, 2013 the provision set forth in paragraph I.A shall apply.

A. The City may designate entry-level groups of classifications which will be considered as career advancement classifications. Employees may be hired for a vacancy in the higher classification at the lower classification, and not be required to undergo a promotional exam to advance to the higher position. The employee initially hired may qualify for certification to the

higher position upon (1) successful performance for a minimum of one year in the lower position, (2) a positive recommendation by the Appointing Authority and (3) approval by the City Manager upon recommendation of the Human Resources Director. Upon advancement to the higher classification, the employee shall be compensated at the pay rate closest to, but not less than, he/she was compensated at in the lower class. The Human Resources Director shall advise the SEIU\CVEA representative on the status and usage of this Article upon request.

B. The provision set forth in paragraph I.A, above, shall not be construed under any circumstance as creating a vested right, neither expressly or impliedly. The City reserves its right to and may, like any other term, seek modify or terminate this provision in subsequent MOU's.

II. For CVEA/SEIU represented employees hired after June 30, 2013 the provision set forth in paragraph II.A shall apply.

A. The City has designated certain classifications as career advancement classifications. Although employees are not required to undergo a promotional exam for advancement from the lower to higher classification designated as career advancement, advancement to the higher classification will depend on an employee's qualifications and operational needs.

An employee may qualify for advancement to a higher classification upon all of the following:

- Successful completion of probationary period in lower classification
- Recommendation by his or her appointing authority
- Approval by the City Manager, at the recommendation of the Human Resources Director.

Upon advancement to the higher classification, the employee shall be compensated at the pay rate closest to, but not less than, his/her compensation in the lower classification.

B. For CVEA/SEIU employees in the Maintenance Worker I/II and Gardener I/II series, they shall not be subject to paragraph II.A., but shall remain subject to paragraphs I.A and B, regardless of hire date.

ARTICLE 4.03 CLASSIFICATION STUDIES

The Human Resources Department conducts on-going classification and compensation studies pursuant to the provisions of the Civil Service rules. In the event SEIU\CVEA wishes to request a classification or compensation study for an individual or a classification, it may do so by providing a written request to the Director of Human Resources. Written requests must provide significant justification to support the request for the study.

ARTICLE 4.04 DRIVING ELIGIBILITY

Whenever an employee drives a vehicle for City business he or she shall have a valid California driver's license. In order to ascertain the validity of the employee's license, employees must present their driver's license to their supervisor upon request. The City reserves the right to check at any time with the Department of Motor Vehicles to determine if an employee's license is valid. If an employee's driver's license is revoked, suspended or otherwise made invalid, the employee must inform his or her supervisor. Failure to notify the supervisor may result in immediate disciplinary action.

An employee who does not possess a valid California driver's license will be considered for a non-driving position if one is available in the employee's classification. The non-driving assignment will continue for a maximum of six-months if there is a reasonable expectation the employee will have a valid California driver's license at the expiration of that time. Extensions to the six-month limit will be considered on a case-by-case basis, however, in no case shall an employee receive more than one non-driving assignment in any three-year period. When no non-driving assignment is available, employees must request a leave of absence without pay for six-months or until such time as their license is once again valid, whichever is shorter.

In order to assure that non-driving assignments are provided on a fair and equitable basis, the following procedures shall be observed:

- A. Each department will determine whether it has any non-driving assignments that can be filled by employees who would otherwise have driving assignments.
- B. Non-driving assignments will be given on a first come, first served basis. For example, if two employees in a department have non-valid driver's licenses and there is only one non-driving assignment, the first employee who comes forward will be given the non-driving assignment. The other employee may apply for a leave of absence as described above.

ARTICLE 4.05 FITNESS FOR DUTY

The parties agree that physical and mental fitness of City employees are reasonable requirements to perform the duties of the job and instill public confidence. Recognizing these important factors, the parties agree that during the term of this MOU, the City with reasonable cause, may require medical and psychological assessments of employees, provided the City pays and provides time off without loss of pay for such assessments. All such assessments shall be done by appropriately qualified health care professionals. It is understood that the assessment regimen performed by said professionals shall be reasonably related to with the requirements and duties of the job.

Any treatment or remedial action shall be the full responsibility of the employee, except as otherwise provided by law or as may be provided through the Employee Assistance Program (EAP) for City employees.

ARTICLE 4.06 SUBSTANCE ABUSE POLICY

Employees represented by SEIU\CVEA are subject to the City's Substance Abuse Policy.

ARTICLE 4.07 MODIFIED DUTY

When an employee is injured on the job and, according to their physician, is able to return to "light duty," the City will make every effort to place the employee in a modified duty assignment until he or she is released back to full duty. The nature of the assignment will depend on the physical restrictions of the employee as stated by the treating physician and the availability of a modified position in the employee's normal department or another department that is consistent with the physical restrictions. Notwithstanding the above, the acceptance of a modified duty assignment, if available, will be mandatory.

ARTICLE 4.08 DIRECT DEPOSIT

All represented employees are encouraged to provide authorization to the City's Director of Finance to electronically deposit their paychecks to a financial institution of their choice. For new employees, hired on or after the effective date of this MOU, it will be mandatory to participate in the electronic deposit program. If a new employee is able to demonstrate that they are unable to obtain an account for electronic deposit, they will be required to obtain an account within 6 months. Those current employees receiving a paper check as of July 2012 will not be required to sign up for direct deposit.
