Scope of Work (SOW)

Vendors must be able to, **at a minimum**, provide the services outlined below. The Vendor Question section of the RFP will address your organization's approach and method for satisfying each of the listed items. All quoted fees should include providing the requested services outlined below.

1. The auditors will perform an examination of the City's basic financial statements and required supplementary information (RSI) in accordance with the auditing standards outlined below, with the objective of expressing an opinion on each opinion unit of the financial statements that collectively comprise the basic financial statements. In addition, the auditors will express an "in-relation-to" opinion on the combining and individual nonmajor fund financial statements, including budgetary comparison schedules. Finally, the auditors will determine that information provided in the introductory and statistical sections of the City's Annual Comprehensive Financial Report (ACFR) confirms to amounts reported in the basic financial statements.
2. The auditors will conduct an examination of the City's federal awards in conformance with the auditing standards outlined below. In addition to the audit of the federal awards, the auditor will review any materials included in the reporting package accompanying the data collection form. The City will prepare the Schedule of Expenditures of Federal Awards. The auditors will prepare the single audit report and provide the City with one electronic copy in PDF format on or before March 15th of each year.
3. The auditors will perform agreed-upon procedures to test and report on the GANN appropriation limitation calculation. The auditors will be responsible for rendering their opinion and providing the City with one electronic copy in PDF format on or before December 15th of each year.

4. Auditor will perform a compliance audit of the City's Housing Successor Fund in accordance with SB 341 and AB 471. Consultant's audit will express an opinion as to whether the Housing Successor Fund is in compliance with the Low- and Moderate-Income portion of the "Guidelines for Compliance Audits of California Redevelopment Agencies" as amended by SB 341 and AB 471 for the Housing Successor.
5. Auditor will prepare separate stand-alone statements of the City's Housing Successor Fund and provide an opinion on those statements. The audit will be conducted in accordance with generally accepted auditing standards.
6. Auditor will perform testing of compliance with the agreement for Measure A funds and prepare required reports.
7. Auditor will perform testing of compliance with the agreement for Measure P funds and prepare required reports.
8. When applicable, the auditors will issue a "management letter" that includes non-reportable conditions that were identified during the audit. Management letters should be addressed to the Finance Director and should include a follow-up on the prior year's recommendations, if any.
9. The City of Chula Vista City Council serves as the City's Audit Committee. Auditors shall communicate to the City's Audit Committee all communications as required.
10. The auditors will issue a SAS 114 report addressed to the City Council at the conclusion of the audit. The auditors will provide the City with one electronic copy in PDF format by December 15th of each year.

The auditors are expected to assess the City, as necessary, to meet the requirements of the Government Finance Officers Association (GFOA) Certificate of Achievement in Financial Reporting Program.
12. The City may request the auditor to render any additional services to supplement the services in this RFP or to perform additional work as a result of the specific recommendations in any report issued on this engagement. Such additional work shall be performed only if set forth in an addendum to the contract between the City and the auditor. Any such additional work agreed to shall be performed at the same rates set forth in the schedule of fees and expenses included in the Proposal.
13. The auditors are expected to keep the City informed of new state and national developments affecting governmental finance and reporting standards and trends, including upcoming GASB pronouncements and provide advice for extraordinary transactions. This shall include one formal updating session per fiscal year with the selected City's financial accounting staff members. If there is a charge for this, the cost must be separately identified in the audit firm's cost proposal.

14. The auditors are expected to be responsive to questions or requests made by the City during the contract period. An option for early termination of the contract may be exercised by the City for persistent non-responsiveness by the audit firm to the City's questions or requests or failure to meet the deadlines established in the RFP.
15. The Engagement Partner may be expected to be present at the City Council meetings when the contract is being awarded or amended and when the annual reports and management letter are being presented (at the City Council or City Manager's request).
16. The auditor may be requested to prepare the basic financial statements and required supplementary information (RSI) sections of the City's ACFR. Any awards so made will be based on operational and cost analysis considerations that would result in the optimum economic advantage to the City.

10. Environmentally Preferable Purchasing (EPP)

The City defines Environmentally Preferable Purchasing (EPP) as the procurement or acquisition of goods and services that have a lesser or reduced effect on human health and the environment when compared with competing goods or service that serve the same purpose. With few exceptions, environmentally preferable products shall only be purchased when determined to be cost-effective while considering a true cost during its lifecycle from use, management and disposal. EPP requires attention to numerous environmental considerations, including energy efficiency, postconsumer recycled content, water efficiency, low/zero hazardous substances and responsible manufacturing, to name just a few. Testing and evaluation of environmentally preferable products is one allowable exception and may be requested at any time during the solicitation process.

For more information, please consult the CalRecycle website at: <https://www.calrecycle.ca.gov/epp>.

11. Quality

Unless otherwise required in the specifications, all goods furnished shall be new and unused.

12. Litigation Warranty

The bidder, by bidding, warrants that bidder is not currently involved in litigation or arbitration concerning the materials or bidder's performance concerning the same or similar material or service to be supplied pursuant to this contract of specification, and that no judgments or awards have been made against bidder on the basis of bidder's performance in supplying or installing the same or similar material or service, unless such fact is disclosed to the City in the bid. Disclosure may not disqualify the bidder. The City reserves the right to evaluate

bids on the basis of the facts surrounding such litigation or arbitration and to require bidder to furnish the City with a surety bond executed by a surety company authorized to do business in the State of California and approved by The City of Chula Vista in a sum equal to one hundred percent (100%) of the contract price conditional on the faithful performance by bidder of the contract in the event the bid is awarded to bidder, notwithstanding the litigation or arbitration.

13. Performance Standards

Performance of work and acceptability of equipment or materials supplied pursuant to any contract or award shall be to the satisfaction of the City.

14. Warranties

a) All material, labor or equipment provided under the contract shall be warranted by bidder and/or manufacturer for at least twelve (12) months after acceptance by City. Greater warranty protection will be accepted. Lesser warranty protection must be indicated by bidder on the bid proposal as an exception

b) Bidder shall be considered primarily responsible to the City for all warranty service, parts and labor applicable to the goods or equipment provided by bidder under this bid or award, irrespective of whether bidder is an agent, broker, fabricator or manufacturer's dealer. Bidder shall be responsible for ensuring that warranty work is performed at a local agency or facility convenient to City and that services, parts and labor are available and provided to meet City's schedules and deadlines. City may require bidder to post a performance bond after contract award to guarantee performance of these obligations. Bidder may establish a service contract with a local agency satisfactory to City to meet this obligation if bidder does not ordinarily provide warranty service.

15. Addenda

The effect of all addenda to the bid documents shall be considered in the bid and said addenda shall be made part of the bid documents and shall be returned with them. Before submitting a bid, each bidder shall ascertain whether or not any addenda have been issued, and failure to cover in this bid any such addenda issued may render the bid invalid and result in its rejection.

16. Specifications to Prevail

The detailed requirements of the specifications shall supersede any conflicting reference in these General Provisions that are in conflict therewith.

17. Taxes

The City will furnish Exemption Certificates for Federal Excise Tax. The City is liable for State, City and County Sales Taxes. Do not include this tax in the amount bid. However, tax is to be added by the successful bidder to the net amount invoiced. All or any portion of the City Sales Tax returned to the City will be considered in the evaluation of bids.

18. Conflict of Interest

No City employee or elected or appointed member of City government, or member of the employee's immediate family, may participate directly or indirectly in the procurement process pertaining to this bid if they:

a) Have a financial interest or other personal interest that is incompatible with the proper discharge of their official duties in the public interest or would tend to impair their independence, judgment or action in the performance of their official duties.

b) Are negotiating for or have an arrangement concerning prospective employment with bidder. The bidder warrants to the best of his knowledge that the submission of the bid will not create such conflict of

interest. In the event such a conflict occurs, the bidder is to report it immediately to the Purchasing Agent. For breach or violation of this warranty, the City shall have the right to annul this contract without liability at its discretion, and bidder may be subject to damages and/or debarment or suspension.

19. Gratuities

The City may rescind the right of the bidder to proceed under this agreement if it is found that gratuities in the form of entertainment, gifts, or otherwise are offered or given by the bidder, or any agent or representative of the bidder, to any officer or employee of the City with the intent of influencing award of this agreement or securing favorable treatment with respect to performance of this agreement.

20. Faithful Performance Bond

Successful bidder may be required to furnish the City with a surety bond conditioned upon the faithful performance of the contract. This may take the form of a bond executed by a surety company authorized to do business in the State of California and approved by the City of Chula Vista, an endorsed Certificate of Deposit, or a money order or a certified check drawn on a solvent bank. The bond shall be in a sum equal to one hundred percent (100%) of the amount of the contract price. Such bond or deposit shall be forfeited to the City in the event that bidder receiving the contract shall fail or refuse to fulfill the requirements and all terms and conditions of the contract.

21. Insurance

Bidder shall provide proof of liability and property damage insurance prior to performance of duties. Coverage shall be from a company authorized to transact business in the State of California and shall be in an amount not less than \$1,000,000 combined single limit (CSL), unless otherwise specified. The City of Chula Vista shall be named as an additional insured and thirty (30) days' notice of cancellation shall be indicated. Worker's Compensation coverage for each employee engaged in work on City premises is required. Bidder is solely responsible for all insurance premium payments.

22. Indemnification

Bidder shall defend, indemnify, protect and hold harmless the City, its elected and appointed officers, employees, and agents, from and against all claims for damages, liability, and expenses (including attorney's fees) arising out of this agreement and/or bidder's performance hereunder, except as to such damages, liability, and expenses due to the sole negligence or willful acts of the City, its officers, employees or agents.

23. Award of Contract

- a) Bids will be analyzed, and award will be made to the lowest, responsive and responsible bidder whose bid conforms to the solicitation and whose bid is considered to be most advantageous to the City, price and other factors considered. Factors to be considered may include, but are not limited to: bidder's past performance, total unit cost, economic cost analysis, life cycle costs, warranty and quality, maintenance cost, durability, the operational requirements of the City and any other factors which will result in the optimum economic benefit to the City.
- b) The City reserves the right to reject any item or items, to waive informalities, technical defects and minor irregularities in bids received; and to select the bid(s) deemed most advantageous to the City. The City will, however, consider bids submitted on an "all or nothing" basis if the bid is clearly designated as such.
- c) The City reserves the right to award one or more contracts on the bids submitted, either by award of all items to one bidder or by award of separate items or groups of items to various bidders as the interests of the City may require, unless the bidder clearly specifies otherwise in his bid.

- d) For the purpose of evaluating bids for multiple awards, the sum of \$100.00 is considered to be the administrative cost to the City for issuing and administering each contract awarded under this solicitation, and individual awards will be made for the items and combinations of items which result in the lowest aggregate price to the City, including such administrative cost.
- e) Upon acceptance by the City of Chula Vista, the solicitation, bid, proposal, or price quotation and a purchase order issued to the successful bidder shall be deemed to result in a binding contract incorporating those terms and these General Provisions without further action required by either party. Items are to be furnished as described in the bid and in strict conformity with all instructions, conditions, specifications, and provisions in the complete contract, as defined by this clause 28 or any related integrated agreement.

24. Protests

Protests by unsuccessful bidders to the selection for award shall be submitted in writing to the Purchasing Agent no later than ten (10) calendar days after award recommendation. The unsuccessful bidder shall have the right to appear at the City Council to protest any award to be confirmed by Council. Failure to submit a timely written protest to the Purchasing Agent shall bar consideration of such protest.

25. Documentation

Due to the time constraints that affect contract performance, all required documents, certificates of insurance and bonds shall be provided to the City within ten (10) calendar days following award or date of request by City, whichever is later. Any failure to comply may result in bid being declared non-responsive and rejected, and at City's option the bid bond may be attached for damages suffered.

26. Seller's Invoice

Invoices shall be prepared and submitted in duplicate to address shown on the Purchase Order. Separate invoices are required for each Purchase Order. Invoices shall contain the following information: Purchase Order number, item number, description of supplies or services, sizes, unit of measure, quantity, unit price and extended totals.

27. Document Ownership

- a) All technical documents and records originated or prepared pursuant to this contract, including papers, reports, charts, and computer programs, shall be delivered to and become the exclusive property of the City and may be copyrighted by the City. Bidder assigns all copyrights to City by undertaking this agreement
- b) All inventions, discoveries, enhancements, changes, or improvements of computer programs developed pursuant to this contract shall be the property of the City, and all patents or copyrights shall be assigned to City, unless otherwise agreed. Bidder agrees that City may make modifications to computer software furnished by bidder without infringing bidder's copyright or any license granted to City.

28. Advertisements, Product Endorsements

City employees and agencies or organizations funded by the City are prohibited from making endorsements, either implied or direct, of commercial products or services without written approval of the City Manager. No bidder may represent that the City of Chula Vista has endorsed their product or service without the Purchasing Agent's prior written approval.

29. City Provisions to Prevail

Except as indicated in the specifications, the City's standard General Provisions shall govern any contract award. Any standard terms and conditions of bidder submitted by bidder shall not be acceptable to City unless expressly

agreed to by the City. The City reserves the right to reject bidder's bid as non-responsive, to consider the bid without bidder's standard terms and conditions, or to require bidder to delete reference to such as a condition of evaluation or award of the bid. If, after award of contract, bidder (contract vendor) shall provide materials or services accompanied by new or additional standard terms or conditions, they too shall be considered void and City may require deletion as a further condition of performance by Bidder. To the extent not otherwise provided for by the contract documents, the California Commercial Code shall apply.

30. Invalid Provisions

In the event that any one or more of the provisions of this agreement shall be found to be invalid, illegal or unenforceable, the remaining provisions shall remain in effect and be enforceable.

31. Amendments and Modifications

The Purchasing Agent may at any time, by written order, and without notice to the sureties, make a modification to the contract or an amendment to the Purchase Order, within the general scope of this contract, in (1) quantity of materials or service, whether more or less; (2) drawings, designs, or specifications, where the supplies to be furnished are to be specially manufactured for the City; (3) method of shipment or packing; and (4) place of delivery. If any such change causes an increase or decrease in the cost or the time required for the performance of this contract, an equitable adjustment shall be made by written modification of the contract or amendment to the Purchase Order. Any claim by the bidder for adjustment under this clause must be asserted within 30 calendar days from the notification date.

32. Assignment

Bidder shall not assign or delegate duties or responsibilities under this agreement, in whole or in part, without prior written approval of the City.

33. Disputes

Except as otherwise provided in these provisions, any dispute concerning a question of fact arising under this contract which is not disposed of by agreement shall be decided by the Purchasing Agent, who shall reduce this decision to writing and mail a copy to the bidder. The decision of the Purchasing Agent shall be final and conclusive, unless bidder requests mediation within ten (10) calendar days. Pending final decision of a dispute, the bidder shall proceed diligently with the performance of the contract and in accordance with the Purchasing Agent's decision.

34. Mediation

Should an unresolved dispute arise out of this agreement, any party may request that it be submitted to mediation. The parties shall meet in mediation within thirty (30) days of a request. The mediator shall be agreed to by the mediating parties; in the absence of an agreement, the parties shall each submit one name from mediators listed by either the American Arbitration Association, the California State Board of Mediation and Conciliation, or other agreed-upon service. The mediator shall be selected by a Blindfold@ process.

The cost of mediation shall be borne equally by both parties. Neither party shall be deemed the prevailing party. No party shall be permitted to file a legal action without first meeting in mediation and making a good faith attempt to reach a mediated settlement. The mediation process, once commenced by a meeting with the mediator, shall last until agreement is reached by the parties but not more than sixty (60) days, unless the maximum time is extended by both parties.

35. Lawful Performance

Bidder shall abide by all Federal, State and Local Laws, Ordinances, Regulations, and Statutes as may be related to the performance of duties under this agreement. In addition, all applicable permits and licenses required shall be obtained by the bidder, at bidder's sole expense.

**36. Business License**

Chula Vista Municipal Code Section 5.02.020 requires all firm/entities doing business with the City to obtain a Business License. Section 5.02.20 states: *It is unlawful for any person, or for any person as agent, clerk or employee, either for himself or for any other person, within the corporate limits of the City, to transact, engage in, or carry on any business, show, exhibition or game hereinafter specified without first having procured a license.*

37. Annual Appropriation of Funds

Multi-year term supply and service contracts and leases are subject to annual appropriation of funds by the City Council. Payments made under term contracts and leases are considered items of current expense. Purchase Orders are funded when issued; therefore, they are current expense items and are not subject to any subsequent appropriation of funds.

In the event sufficient funds are not appropriated for the payment of lease payments or anticipated term contract payments required to be paid in the next occurring lease or contract term, and if no funds are legally available from other sources, the lease or contract may be terminated at the end of the original term or renewal term and the City shall not be obligated to make further payments beyond the then current original or renewal term. The City will provide notice of its inability to continue the lease or contract at such time as the Purchasing Agent is aware of the non-appropriation of funds. However, failure to notify does not renew the term of the lease or contract. The City has no monetary obligation in event of termination or reduction of a term contract since such contracts represent estimated quantities and is not funded as a contract except to the extent of the Purchase Orders issued.

38. Extension

When in the City's best interest, this agreement may be extended on a daily, month-to-month, or annual basis by mutual agreement of both parties. Services and/or materials received under an extension shall be in accordance with pricing, terms, and conditions, as described herein.

39. Debarment

The Purchasing Agent may recommend to the City Council that the person or business be debarred from consideration for award of contracts. The period of debarment will be contingent upon the severity of cause. Causes for debarment include:

- a) Conviction under state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or other offense indicating a lack of business integrity or business honesty
- b) Violation of contract provisions which is regarded by the Purchasing Agent to be so serious as to justify debarment action, including:
 - i. Deliberate failure without good cause to perform in accordance with the specifications or within the time limit provided in the contract; or
 - ii. A recent record of failure to perform or of unsatisfactory performance in accordance with the terms of one or more contracts, or
 - iii. Two or more claims of computational error in bid submission within a two-year period.
- c) Debarment by another governmental entity.
- d) Any other cause the Purchasing Agent deems to be so serious and compelling as to affect responsibility as a City bidder. A bidder may be permanently debarred for the following causes:

- i. Collusion in bidding
- ii. Conviction for commission of a criminal offense as an incident to obtaining or attempting to obtain a contract or subcontract with the City of Chula Vista or in the performance of such contract or subcontract.
- iii. Conviction under State or Federal antitrust statutes arising out of the submission of bids or proposals.

40. Venue

This agreement shall be governed by and interpreted according to the laws of the State of California, and venue for any proceeding shall be in the County of San Diego.

(REV February 2021)

This sample agreement has been provided for the proposer’s review and comment. If a proposer wishes to take exception to any of the terms and conditions contained in the consultant agreement, these should be identified specifically; otherwise, it will be assumed that the proposer is willing to enter into the agreement as it is written. Any exceptions to terms, conditions, or other requirements must be clearly stated. Failure to identify contractual issues of dispute can later be the basis for the City disqualifying a proposer. The City will consider such exceptions as part of the evaluation process, which may constitute grounds for rejection of the proposal.

OBLIGATORY PROVISIONS

NOW, THEREFORE, in consideration of the above recitals, the covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which the Parties hereby acknowledge, City and Consultant hereby agree as follows:

1. SERVICES

1.1 Required Services. Consultant agrees to perform the services, and deliver to City the “Deliverables” (if any) described in the attached Exhibit A, incorporated into the Agreement by this reference, within the time frames set forth therein, time being of the essence for this Agreement. The services and/or Deliverables described in Exhibit A shall be referred to herein as the “Required Services.”

1.2 Reductions in Scope of Work. City may independently, or upon request from Consultant, from time to time, reduce the Required Services to be performed by the Consultant under this Agreement. Upon doing so, City and Consultant agree to meet and confer in good faith for the purpose of negotiating a corresponding reduction in the compensation associated with the reduction.

1.3 Additional Services. Subject to compliance with the City’s Charter, codes, policies, procedures and ordinances governing procurement and purchasing authority, City may request Consultant provide additional services related to the Required Services (“Additional Services”). If so, City and Consultant agree to meet and confer in good faith for the purpose of negotiating an amendment to Exhibit A, to add the Additional Services. Unless otherwise agreed, compensation for the Additional Services shall be charged and paid consistent with the rates and terms already provided therein. Once added to Exhibit A, “Additional Services” shall also become “Required Services” for purposes of this Agreement.

1.4 Standard of Care. Consultant expressly warrants and agrees that any and all Required Services hereunder shall be performed in accordance with the highest standard of care exercised by members of the profession currently practicing under similar conditions and in similar locations.

1.5 No Waiver of Standard of Care. Where approval by City is required, it is understood to be conceptual approval only and does not relieve the Consultant of responsibility for complying with all laws, codes, industry standards, and liability for damages caused by negligent acts, errors, omissions, noncompliance with industry standards, or the willful misconduct of the Consultant or its subcontractors.

1.6 Security for Performance. In the event that Exhibit A Section 5 indicates the need for Consultant to provide additional security for performance of its duties under this Agreement, Consultant shall provide such additional security prior to commencement of its Required

Services in the form and on the terms prescribed on Exhibit A, or as otherwise prescribed by the City Attorney.

1.7 Compliance with Laws. In its performance of the Required Services, Consultant shall comply with any and all applicable federal, state and local laws, including the Chula Vista Municipal Code.

1.8 Business License. Prior to commencement of work, Consultant shall obtain a business license from City.

1.9 Subcontractors. Prior to commencement of any work, Consultant shall submit for City's information and approval a list of any and all subcontractors to be used by Consultant in the performance of the Required Services. Consultant agrees to take appropriate measures necessary to ensure that all subcontractors and personnel utilized by the Consultant to complete its obligations under this Agreement comply with all applicable laws, regulations, ordinances, and policies, whether federal, state, or local. In addition, if any subcontractor is expected to fulfill any responsibilities of the Consultant under this Agreement, Consultant shall ensure that each and every subcontractor carries out the Consultant's responsibilities as set forth in this Agreement.

1.10 Term. This Agreement shall commence on the earlier to occur of the Effective Date or Consultant's commencement of the Required Services hereunder, and shall terminate, subject to Sections 6.1 and 6.2 of this Agreement, when the Parties have complied with all their obligations hereunder; provided, however, provisions which expressly survive termination shall remain in effect.

2. COMPENSATION

2.1 General. For satisfactory performance of the Required Services, City agrees to compensate Consultant in the amount(s) and on the terms set forth in Exhibit A, Section 4. Standard terms for billing and payment are set forth in this Section 2.

2.2 Detailed Invoicing. Consultant agrees to provide City with a detailed invoice for services performed each month, within thirty (30) days of the end of the month in which the services were performed, unless otherwise specified in Exhibit A. Invoicing shall begin on the first of the month following the Effective Date of the Agreement. All charges must be presented in a line item format with each task separately explained in reasonable detail. Each invoice shall include the current monthly amount being billed, the amount invoiced to date, and the remaining amount available under any approved budget. Consultant must obtain prior written authorization from City for any fees or expenses that exceed the estimated budget.

2.3 Payment to Consultant. Upon receipt of a properly prepared invoice and confirmation that the Required Services detailed in the invoice have been satisfactorily performed, City shall pay Consultant for the invoice amount within thirty (30) days. Payment shall be made in

accordance with the terms and conditions set forth in Exhibit A and section 2.4, below. At City's discretion, invoices not timely submitted may be subject to a penalty of up to five percent (5%) of the amount invoiced.

2.4 Retention Policy. City shall retain ten percent (10%) of the amount due for Required Services detailed on each invoice (the "holdback amount"). Upon City review and determination of Project Completion, the holdback amount will be issued to Consultant.

2.5 Reimbursement of Costs. City may reimburse Consultant's out-of-pocket costs incurred by Consultant in the performance of the Required Services if negotiated in advance and included in Exhibit A. Unless specifically provided in Exhibit A, Consultant shall be responsible for any and all out-of-pocket costs incurred by Consultant in the performance of the Required Services.

2.6 Exclusions. City shall not be responsible for payment to Consultant for any fees or costs in excess of any agreed upon budget, rate or other maximum amount(s) provided for in Exhibit A. City shall also not be responsible for any cost: (a) incurred prior to the Effective Date; or (b) arising out of or related to the errors, omissions, negligence or acts of willful misconduct of Consultant, its agents, employees, or subcontractors.

2.7 Payment Not Final Approval. Consultant understands and agrees that payment to the Consultant or reimbursement for any Consultant costs related to the performance of Required Services does not constitute a City final decision regarding whether such payment or cost reimbursement is allowable and eligible for payment under this Agreement, nor does it constitute a waiver of any violation by Consultant of the terms of this Agreement. If City determines that Consultant is not entitled to receive any amount of compensation already paid, City will notify Consultant in writing and Consultant shall promptly return such amount.

3. INSURANCE

3.1 Required Insurance. Consultant must procure and maintain, during the period of performance of Required Services under this Agreement, and for twelve months after completion of Required Services, the policies of insurance described on the attached Exhibit B, incorporated into the Agreement by this reference (the "Required Insurance"). The Required Insurance shall also comply with all other terms of this Section.

3.2 Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions relating to the Required Insurance must be disclosed to and approved by City in advance of the commencement of work.

3.3 Standards for Insurers. Required Insurance must be placed with licensed insurers admitted to transact business in the State of California with a current A.M. Best's rating of A V or better, or, if insurance is placed with a surplus lines insurer, insurer must be listed on the State of California List of Eligible Surplus Lines Insurers (LESLI) with a current A.M. Best's

rating of no less than A X. For Workers' Compensation Insurance, insurance issued by the State Compensation Fund is also acceptable.

3.4 Subcontractors. Consultant must include all sub-consultants/sub-contractors as insureds under its policies and/or furnish separate certificates and endorsements demonstrating separate coverage for those not under its policies. Any separate coverage for sub-consultants must also comply with the terms of this Agreement.

3.5 Additional Insureds. City, its officers, officials, employees, agents, and volunteers must be named as additional insureds with respect to any policy of general liability, automobile, or pollution insurance specified as required in Exhibit B or as may otherwise be specified by City's Risk Manager.. The general liability additional insured coverage must be provided in the form of an endorsement to the Consultant's insurance using ISO CG 2010 (11/85) or its equivalent; such endorsement must not exclude Products/Completed Operations coverage.

3.6 General Liability Coverage to be "Primary." Consultant's general liability coverage must be primary insurance as it pertains to the City, its officers, officials, employees, agents, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers is wholly separate from the insurance provided by Consultant and in no way relieves Consultant from its responsibility to provide insurance.

3.7 No Cancellation. No Required Insurance policy may be canceled by either Party during the required insured period under this Agreement, except after thirty days' prior written notice to the City by certified mail, return receipt requested. Prior to the effective date of any such cancellation Consultant must procure and put into effect equivalent coverage(s).

3.8 Waiver of Subrogation. Consultant's insurer(s) will provide a Waiver of Subrogation in favor of the City for each Required Insurance policy under this Agreement. In addition, Consultant waives any right it may have or may obtain to subrogation for a claim against City.

3.9 Verification of Coverage. Prior to commencement of any work, Consultant shall furnish City with original certificates of insurance and any amendatory endorsements necessary to demonstrate to City that Consultant has obtained the Required Insurance in compliance with the terms of this Agreement. The words "will endeavor" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents, or representatives" or any similar language must be deleted from all certificates. The required certificates and endorsements should otherwise be on industry standard forms. The City reserves the right to require, at any time, complete, certified copies of all required insurance policies, including endorsements evidencing the coverage required by these specifications.

3.10 Claims Made Policy Requirements. If General Liability, Pollution and/or Asbestos Pollution Liability and/or Errors & Omissions coverage are required and are provided on a claims-made form, the following requirements also apply:

a. The “Retro Date” must be shown, and must be before the date of this Agreement or the beginning of the work required by this Agreement.

b. Insurance must be maintained, and evidence of insurance must be provided, for at least five (5) years after completion of the work required by this Agreement.

c. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a “Retro Date” prior to the effective date of this Agreement, the Consultant must purchase “extended reporting” coverage for a minimum of five (5) years after completion of the work required by this Agreement.

d. A copy of the claims reporting requirements must be submitted to the City for review.

3.11 Not a Limitation of Other Obligations. Insurance provisions under this section shall not be construed to limit the Consultant’s obligations under this Agreement, including Indemnity.

3.12 Additional Coverage. To the extent that insurance coverage provided by Consultant maintains higher limits than the minimums appearing in Exhibit B, City requires and shall be entitled to coverage for higher limits maintained.

4. INDEMNIFICATION

4.1. General. To the maximum extent allowed by law, Consultant shall timely and fully protect, defend, reimburse, indemnify and hold harmless City, its elected and appointed officers, agents, employees and volunteers (collectively, “Indemnified Parties”), from and against any and all claims, demands, causes of action, costs, expenses, (including reasonable attorneys’ fees and court costs), liability, loss, damage or injury, in law or equity, to property or persons, including wrongful death, in any manner arising out of or incident to any alleged acts, omissions, negligence, or willful misconduct of Consultant, its officials, officers, employees, agents, and contractors, arising out of or in connection with the performance of the Required Services, the results of such performance, or this Agreement. This indemnity provision does not include any claims, damages, liability, costs and expenses arising from the sole negligence or willful misconduct of the Indemnified Parties. Also covered is liability arising from, connected with, caused by or claimed to be caused by the active or passive negligent acts or omissions of the Indemnified Parties which may be in combination with the active or passive negligent acts or omissions of the Consultant, its employees, agents or officers, or any third party.

4.2. Modified Indemnity Where Agreement Involves Design Professional Services. Notwithstanding the forgoing, if the services provided under this Agreement are design professional services, as defined by California Civil Code section 2782.8, as may be amended from time to time, the defense and indemnity obligation under Section 1, above, shall be limited to the extent required by California Civil Code section 2782.8.

4.3 Costs of Defense and Award. Included in Consultant's obligations under this Section 4 is Consultant's obligation to defend, at Consultant's own cost, expense and risk, and with counsel approved in writing by City, any and all suits, actions or other legal proceedings that may be brought or instituted against one or more of the Indemnified Parties. Subject to the limitations in this Section 4, Consultant shall pay and satisfy any judgment, award or decree that may be rendered against one or more of the Indemnified Parties for any and all related legal expenses and costs incurred by any of them.

4.4. Consultant's Obligations Not Limited or Modified. Consultant's obligations under this Section 4 shall not be limited to insurance proceeds, if any, received by the Indemnified Parties, or by any prior or subsequent declaration by the Consultant. Furthermore, Consultant's obligations under this Section 4 shall in no way limit, modify or excuse any of Consultant's other obligations or duties under this Agreement.

4.5. Enforcement Costs. Consultant agrees to pay any and all costs and fees City incurs in enforcing Consultant's obligations under this Section 4.

4.6 Survival. Consultant's obligations under this Section 4 shall survive the termination of this Agreement.

5. FINANCIAL INTERESTS OF CONSULTANT.

5.1 Form 700 Filing. The California Political Reform Act and the Chula Vista Conflict of Interest Code require certain government officials and consultants performing work for government agencies to publicly disclose certain of their personal assets and income using a Statement of Economic Interests form (Form 700). In order to assure compliance with these requirements, Consultant shall comply with the disclosure requirements identified in the attached Exhibit C, incorporated into the Agreement by this reference.

5.2 Disclosures; Prohibited Interests. Independent of whether Consultant is required to file a Form 700, Consultant warrants and represents that it has disclosed to City any economic interests held by Consultant, or its employees or subcontractors who will be performing the Required Services, in any real property or project which is the subject of this Agreement. Consultant warrants and represents that it has not employed or retained any company or person, other than a bona fide employee or approved subcontractor working solely for Consultant, to solicit or secure this Agreement. Further, Consultant warrants and represents that it has not paid or agreed to pay any company or person, other than a bona fide employee or approved subcontractor working solely for Consultant, any fee, commission, percentage, brokerage fee,

gift or other consideration contingent upon or resulting from the award or making of this Agreement. Consultant further warrants and represents that no officer or employee of City, has any interest, whether contractual, non-contractual, financial or otherwise, in this transaction, the proceeds hereof, or in the business of Consultant or Consultant's subcontractors. Consultant further agrees to notify City in the event any such interest is discovered whether or not such interest is prohibited by law or this Agreement. For breach or violation of any of these warranties, City shall have the right to rescind this Agreement without liability.

6. REMEDIES

6.1 Termination for Cause. If for any reason whatsoever Consultant shall fail to perform the Required Services under this Agreement, in a proper or timely manner, or if Consultant shall violate any of the other covenants, agreements or conditions of this Agreement (each a "Default"), in addition to any and all other rights and remedies City may have under this Agreement, at law or in equity, City shall have the right to terminate this Agreement by giving five (5) days written notice to Consultant. Such notice shall identify the Default and the Agreement termination date. If Consultant notifies City of its intent to cure such Default prior to City's specified termination date, and City agrees that the specified Default is capable of being cured, City may grant Consultant up to ten (10) additional days after the designated termination date to effectuate such cure. In the event of a termination under this Section 6.1, Consultant shall immediately provide City any and all "Work Product" (defined in Section 7 below) prepared by Consultant as part of the Required Services. Such Work Product shall be City's sole and exclusive property as provided in Section 7 hereof. Consultant may be entitled to compensation for work satisfactorily performed prior to Consultant's receipt of the Default notice; provided, however, in no event shall such compensation exceed the amount that would have been payable under this Agreement for such work, and any such compensation shall be reduced by any costs incurred or projected to be incurred by City as a result of the Default.

6.2 Termination or Suspension for Convenience of City. City may suspend or terminate this Agreement, or any portion of the Required Services, at any time and for any reason, with or without cause, by giving specific written notice to Consultant of such termination or suspension at least fifteen (15) days prior to the effective date thereof. Upon receipt of such notice, Consultant shall immediately cease all work under the Agreement and promptly deliver all "Work Product" (defined in Section 7 below) to City. Such Work Product shall be City's sole and exclusive property as provided in Section 7 hereof. Consultant shall be entitled to receive just and equitable compensation for this Work Product in an amount equal to the amount due and payable under this Agreement for work satisfactorily performed as of the date of the termination/suspension notice plus any additional remaining Required Services requested or approved by City in advance that would maximize City's value under the Agreement.

6.3 Waiver of Claims. In the event City terminates the Agreement in accordance with the terms of this Section, Consultant hereby expressly waives any and all claims for damages or compensation as a result of such termination except as expressly provided in this Section 6.

6.4 Administrative Claims Requirements and Procedures. No suit or arbitration shall be brought arising out of this Agreement against City unless a claim has first been presented in writing and filed with City and acted upon by City in accordance with the procedures set forth in Chapter 1.34 of the Chula Vista Municipal Code, as same may be amended, the provisions of which, including such policies and procedures used by City in the implementation of same, are incorporated herein by this reference. Upon request by City, Consultant shall meet and confer in good faith with City for the purpose of resolving any dispute over the terms of this Agreement.

6.5 Governing Law/Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of California. Any action arising under or relating to this Agreement shall be brought only in San Diego County, State of California.

6.6 Service of Process. Consultant agrees that it is subject to personal jurisdiction in California. If Consultant is a foreign corporation, limited liability company, or partnership that is not registered with the California Secretary of State, Consultant irrevocably consents to service of process on Consultant by first class mail directed to the individual and address listed under “For Legal Notice,” in section 1.B. of Exhibit A to this Agreement, and that such service shall be effective five days after mailing.

7. OWNERSHIP AND USE OF WORK PRODUCT

All reports, studies, information, data, statistics, forms, designs, plans, procedures, systems and any other materials or properties produced in whole or in part under this Agreement in connection with the performance of the Required Services (collectively “Work Product”) shall be the sole and exclusive property of City. No such Work Product shall be subject to private use, copyrights or patent rights by Consultant in the United States or in any other country without the express, prior written consent of City. City shall have unrestricted authority to publish, disclose, distribute, and otherwise use, copyright or patent, in whole or in part, any such Work Product, without requiring any permission of Consultant, except as may be limited by the provisions of the Public Records Act or expressly prohibited by other applicable laws. With respect to computer files containing data generated as Work Product, Consultant shall make available to City, upon reasonable written request by City, the necessary functional computer software and hardware for purposes of accessing, compiling, transferring and printing computer files.

8.6 Record Retention. During the course of the Agreement and for three (3) years following completion of the Required Services, Consultant agrees to maintain, intact and readily accessible, all data, documents, reports, records, contracts, and supporting materials relating to the performance of the Agreement, including accounting for costs and expenses charged to City, including such records in the possession of sub-contractors/sub-consultants.

8.7 Further Assurances. The Parties agree to perform such further acts and to execute and deliver such additional documents and instruments as may be reasonably required in order to carry out the provisions of this Agreement and the intentions of the Parties.

8.8 Independent Contractor. Consultant is and shall at all times remain as to City a wholly independent contractor. Neither City nor any of its officers, employees, agents or volunteers shall have control over the conduct of Consultant or any of Consultant's officers, employees, or agents ("Consultant Related Individuals"), except as set forth in this Agreement. No Consultant Related Individuals shall be deemed employees of City, and none of them shall be entitled to any benefits to which City employees are entitled, including but not limited to, overtime, retirement benefits, worker's compensation benefits, injury leave or other leave benefits.
